STOP THE WAR IN EGYPT!

The following statement has been issued by a number of prominent South Africans of all races and in all walks of life:—

We express our grave anxiety over the invasion of Egyptian territory by British, French and Israeli forces.

These actions cannot be justified by any alleged provocations. In fact they are acts of aggression, in violation of the United Nations Charter, which endanger peace in Africa, Asia and throughout the world.

On behalf of all peace-loving South African people we demand an end to force and the withdrawal of all foreign troops from Egyptian territory. We express our sympathy with the Egyptian people and our support for their just claim to sovereignty in their own country.
