## AD1715 SOUTH AFRICAN INSTITUTE OF RACE RELATIONS (SAIRR), Records, 1892-1974

Historical Papers Research Archive, The Library, University of the Witwatersrand, Johannesburg, South Africa, 2013

This collection comprises an assortment of Rheinhallt Jones and SAIRR papers, and complements and supplements other records of the Institute housed at Wits.

Again the emphasis is on 'Native Affairs' and 'race relations' in the broadest sense, primarily from the mid 1930's to 1950's. Section 5 - 'Administration of Africans' is particularly rich in this respect.

The papers have been sorted into thirty-six categories. However, because of the diversity, or generalised nature, of some of the material, fairly arbitrary categorization of material was unavoidable.

Please note: Some documents have been badly damaged prior to digitisation or are of poor quality.
