AFRAPIX

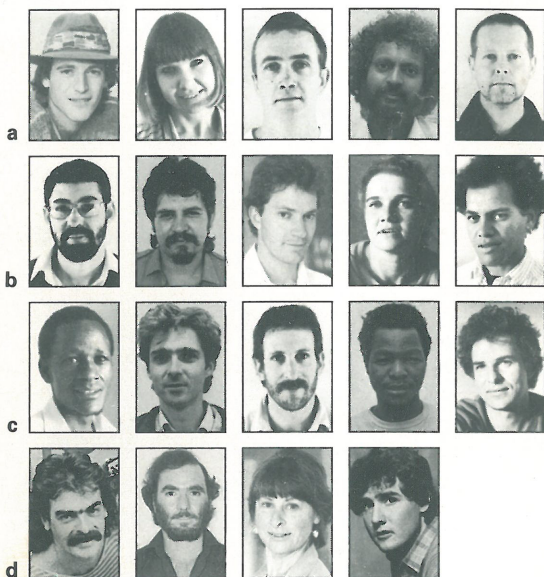

An independent photographic agency of Southern Africa

Venda 1989

Afrapix is a collective of freelance photographers committed to social documentary photography.

It was established in 1982 and to date we have nineteen members and many contributors, based in different parts of the country. On self-initiated projects and commissioned assignments, we

a: (left to right) Guy Tillim, Anna Zieminski; Roger Meintjies Jeeva Rajgopaul; Paul Grendon.

b: (left to right) Graeme Goddard; Rafs Mayet; Steve Hilton-Barber Gisèle Wulfsohn; Cedric Nunn.

c: (left to right) Santu Mofokeng; Chris Ledochowski; Eric Miller Pax Magwaza; Paul Weinberg.

d: (left to right) Don Edkins; Joe Alferts; Gill de Vlieg; Peter Auf der Heyde.

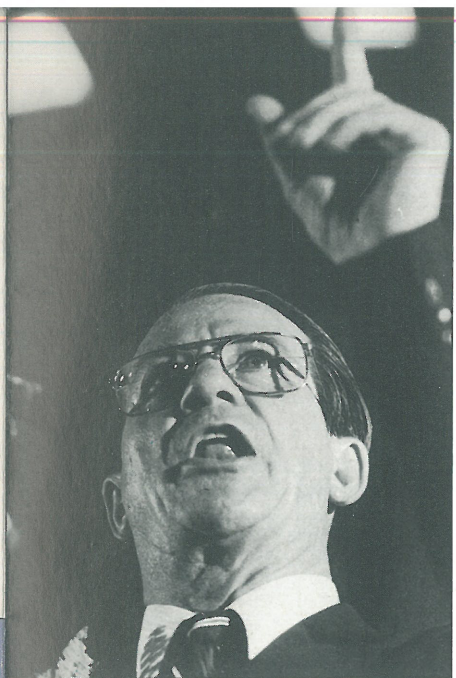

share materials, resources and ideas. We also cover news and in-depth features for local and international publication.

Our library files carry both black and white and colour images in a wide variety of categories, as listed below. Prices are subject to negotiation.

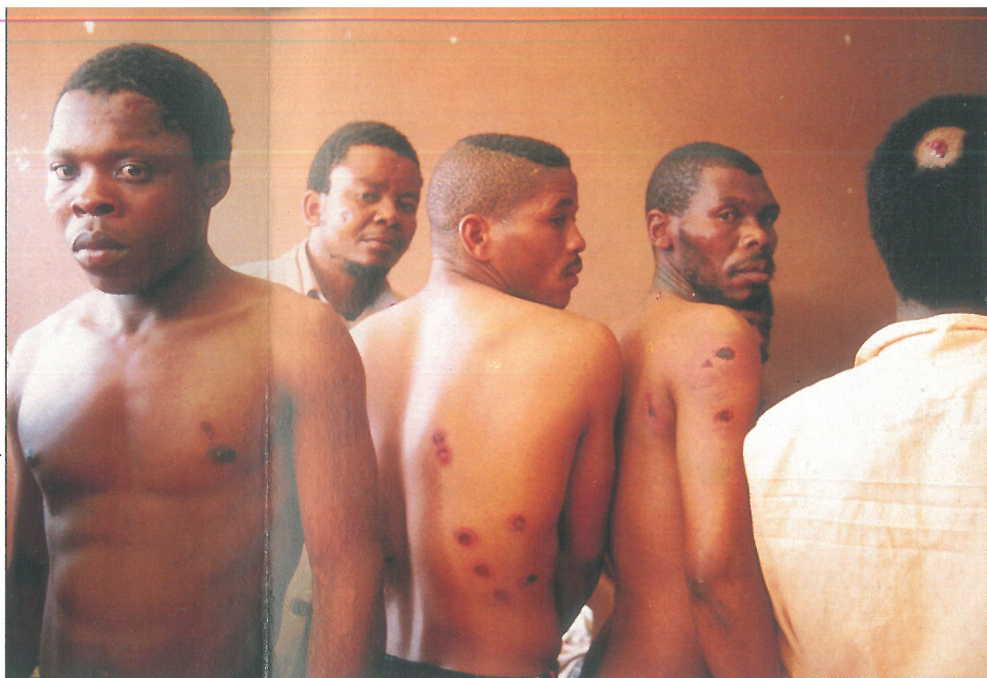

Bushmanland 1988

We have an education facility co-ordinating workshops, travelling exhibitions and slide shows. Our darkroom service includes printing and processing of black and white film and slide duplication.

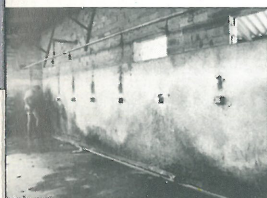

Leader of the Conservative Party — Dr Andries Treurnicht 1987

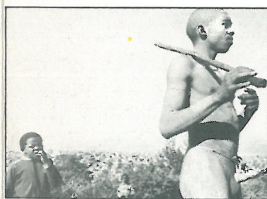

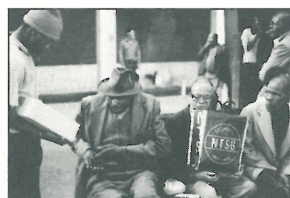

Miners shot by police — Westonaria 1987
