

Transvaal Consolidated Land & Exploration Co. Ltd. – files in alphabetical order

Extra information added where feasible, taken from cover or contents. Under subject headings, entries may be filed according to file number, not alphabetically. Titles are not entered in their own right if beginning with vague words like: Disposal..., and if their subject matter is comparatively trivial or unlikely to be sought. They will be found under a subject heading.

Names of people with bonds and loans are not listed independently. They can be found only under Bonds..., in alphabetical order. Likewise farms are listed only under district.

Mines are listed separately but some have been done under name.
