

APPEAL AGAINST THE PREPARATION FOR ATOMIC WAR

42

TODAY certain governments are basing their military strategy on the use of Atomic weapons.

THEY ARE trying to make the peoples accept it as inevitable.

THE USE of Atomic weapons would result in a war of extermination.

WE DECLARE that any government that lets

25 loose Atomic war will forfeit the trust of its people and find itself condemned by all peoples of the world.

NOW and in the future we shall oppose those who organise Atomic war.

WE DEMAND the destruction of all stocks of atomic weapons wherever they may be and the immediate stopping of their manufacture.

BEROEP TEEN DIE VOORBEREIDING VAN ATOMIESE OORLOG

SEKERE regerings grond vandag hulle militêre strategie op die gebruik van atomiese wapens.

HULLE probeer om die mense verstaan te maak dat dit die enigste uitweg is.

DIE GEBRUIK van atomiese wapens sal veroorsaak die totale uitroei van die mense.

ONS VERKLAAR dat die regering wat 'n atomiese oorlog begin nie die volk se vertrou

verdien nie en staan skuldig voor al die mense in die wêreld.

NOU en in die toekoms sal ons veg teen die organiseerdes van 'n atomiese oorlog.

ONS VEREIS die vernietiging van al die atomiese wapens wat dus ver al vervaardig is, waar dit ook al mag wees, en dat die vervaardiging van verdere wapens tot einde moet gebring word.
