Dear Sir,

Education Survey: Zululand.

Thank you for your letter No.20/7187 of the 11th October. I am at present receiving replies from the Native Commissioners in Zululand giving most of the information for which I asked in my letter of the 16th September. I have also received considerable information from Mr.Titlestad of Eshowe regarding the schools which fall in his circuit.

Yours faithfully,

F.J.van Wyk.
ASSISTANT TO THE DIRECTOR.

Sir,

I have the honour to acknowledge receipt of your letter of the 12th ultimo and regret the delay in replying. The information you desire will entail a good deal of research and it will be some little time before I am in a position to reply.

In order not to delay matters unnecessarily longer, it is suggested that in the meantime the information you require in regard to item "C" be obtained from the Inspector of Schools, Eshowe.

Yours obediently,

NATIVE COMMISSIONER: HLABISA.

Dear Sir,

Thank you very much for your letter No. 2/17/8/3 of the 25th October. We appreciate your willingness to let us have the information we asked for in my letter of the 12th September especially as we know that you have a heavy volume of work to deal with. As we are hoping to obtain all the information under Item "C" from the Natal Educational Department, I shall be glad if you will delete the item from my original letter. I would be glad, though, if you could give me an estimate of the number of Native children of school-going age not attending schools as the Educational authorities do not seem to be in a position to furnish this information.

Yours faithfully,

F.J. van Wyk,
ASSISTANT TO THE DIRECTOR.
