Dear Friend

Re: Application for Membership

In response to your letter dated 1984/08/07, requesting for membership of the UDF.

I take this opportunity to explain to you, what UDF is. Friend UDF is a Front of organisations, not an organisation itself. It was formed to fight against the new constitution act which aims at co-opting Coloureds and Indians to become partners in Apartheid. This Constitution aims at making Coloureds and Indians legislators of pass laws, evictions, and removals. On the other hand it was formed to oppose the Koornhof laws and the Orderly movement of black persons bills which aims at dividing the African population and further making them aliens in the land of their birth. It also aims at creating a group of people who would be called commuters i.e a group of people who will work in the so-called white south africa but have no rights to live in these areas.

Friend, if you wish to join UDF as an individual, it is impossible, but if you want to join as na organisation all you have to do is to sign a UDF declaration.

We will also be happy to explain to you our working principles to you and we will also be available to help structure an organisation in your area.

Please find enclosed in your letter, one copy of our latest UDF newsletter and a copy of UDF declaration.

Hoping to hear from you very soon.

Yours faithfully

M. VALLI (UDF TRANSCAAL SECRETARY)
