Friends,

Following an assessment of the working committee last month, a number of suggestions aimed at resolving problems SPEAK has experienced, is now being tested.

These include:-

1. A cycle with definite deadlines to get the paper out regularly,
2. The setting up of regional committees,
3. A survey directed at organisations and area contacts.

Enclosed is a report of the working committee's assessment.

The regional committees are explained to some extent in the report. Further clarification can be gained from members of your regional committee.

We trust this initiative will enjoy your serious consideration and constructive contribution.

Thanking You
