

DARS.

TOWN COUNCIL OF ATTERIDGEVILLE

NOTICE FOR ALL HOUSEHOLDERS: INCREASE OF TARIFFS: SERVICES:

The establishment of the Town Council of Atteridgeville has resulted in the Council taking over a number of functions which were previously done by the then Administration Board on its behalf.

This in turn caused an increase in the personnel employed by the Council to administer and carry out functions and services it performs and renders in the township.

The new Council has also committed itself to improving the quality of services it has to render. But the high costs involved which result from ever escalating rate of inflation in all spheres of the economy make provision and rendering of services expensive.

The Council has a number of projects in the pipe-line such as upgrading electricity supplies and the entire infrastructure, building and tarring of roads, alleviating the housing backlog and the development of the new township called Atteridgeville Extension 2.

All this has led to a demand for more revenue on the part of the Council for the next financial year.

So you are kindly being informed that tariffs for services for the average household will be increased by 19,56 % per month from 1 July 1984.

This means increases for services per month will be as follows:

Electricity	:	increase of R2,00
Water	:	increase of R3,00
Rubbish removal	:	increase of R2,55
Sewerage	:	increase of R1,25
Water Total	:	R8,80

It should, however, be emphasised that no increase for site rental has been effected.

We thank you for your good sense of responsibility to accept this unfortunate but necessary step for the welfare of our township.

P. La GRANGE
