WORMS! WORMS! WORMS!

A new wonder cure for worms has been discovered. It is called 'RID'. It is sweet tasting like fruit juice, and it kills your worms without starving or stomach pain. When you take 'RID' or you give it to children hundreds of worms will come out of your stomach. 'RID' is a new wonderful worm cure.

WORMS CAUSE THESE TROUBLES:

1. Children do not sleep well. They keep burping and make noises like talking in their sleep.
2. Worms cause pain in the stomach and running stomach. They also cause itching, in children the itchy bottom.
3. Worms cause pain in the stomach and running stomach. They also cause itching, in children the itchy bottom.
4. Also overexcitability in children.

If you or your children are not well, you may have these worms) and you should take some 'RID' WORM SYRUP. Ask your Chemist for 'RID'. You must be sure it is called 'RID' as this is the new cure that is nice to taste (children like it) and there is no need to stop eating before you take it. You can just take it before dinner and it is safe for small children.

Ask for 'RID'. It costs 2/6 a bottle. If you cannot get 'RID' easily, write to 'RID', 83, Umbilo Road, Durban.
