Dear Alan -

v. Thrilled with Ed. Munnos's gift - well done. I see the press say he may come out in January - but we don't expect much to happen then - only a week or 2 to finish the preliminary then another adjournment of the main trial a few months later.

It's v. sad about ~~the~~ Low Stone. We must hope Dean Pike can cope a bit. Peter Brown came in today - what a v. nice person. He'll give you some messages re found.

I'm leaving on 31 Oct + Freda Levan is taking over. I'm going to traverse round seeing the fells, Matthews etc - (+ Patons (hope?)) before going to St Faith's in Jan. + probably up Africa - then, with Marjory Perham, (hope, for a few

I do appreciate your idea of my going to
the hospital in Zululand (but dr. their food is
incredible!) but I feel that is very much against
my tendency, that I've learnt quite a lot
recently + should be able to make a better sort of
life than before. I don't know what I'll do, &
maybe I'll even come out again later, but I'm
so longing to see friends in England + to find
a flat my own + set up house + grow up a
little. Nice fantasy?

I want to attend the Inter-racial Conf
early in Dec. If I go to Natal between then
& Xmas will there be any chance of seeing you
+ folk? I'd also like to see Joe Matthews, the News +
Catalis if possible too.

Love to you + folk

Dear Pixie,

I don't know why the Press said that Ed. Murrow would come out in January. I said he would come out for the big trial, and they must have got mixed up.

So you are leaving the office on October 31 and you expect to be in Natal between approximately December 7 and Christmas. We will have a full house for our Congress from December 14 - 18, but you would be welcome to us any time before or after. However, I must warn you that this is not a convenient place from which to visit people in Durban and on the North Coast.

I received your message from Peter, mainly the one about this bloke who wants to put me in his book.

Hope you are keeping well.
