

I'm hoping for whatever comes out from you April 29  
with for - that it not be delayed further.

Dear Benjamin - gratefully & warmly,

Charlotte

I was so happy to hear from you. News is good to get even though we wish it were good news!

Surprise upon surprise - several days ago I received a tremendously kind letter from Bob and then saw the notice in our papers that the government planned to release him in several weeks. I am overjoyed but mystified! I also wonder if we should pursue our plans for sending books to him and/or children.

Did you know Fisel Handi is here for a school year as an exchange student? This is a lovely girl - I let her read your letter, asking her to appeal to her school (the no. 2 of my children attended also) for books. She will - as I thought they could be used in any case but I'd like to hear from you about this, if possible.

I am leaving Sunday (May 4) for California for the month but someone will be receiving my mail for me - when I return Fisel

P.S. If you can please refer my thanks to Bob - I know he'll be glad to write as this postcard to me.

investigate more these growth centers. They promote seminars & workshops for encounter groups, sensitivity training & other such means for people to learn to trust themselves & others with more courage & understanding. I "dig" all this! — not only <sup>to</sup> think the people involved in this "human potential movement" are more alive & therefore where I want to be but also I think

do you agree? How far

is also necessary for
