**IQBAL "STANLEY" SALEY – Chairman : Vaal Cricket Club**

The Vaal Cricket Club takes great pleasure in extending a warm hand of welcome to the visiting teams and officials and assure them of the kind of traditional hospitality for which ROSHNEE has become so well known.

There are going to be twenty two young men representing their respective Provinces for the duration of three days in a gentleman's game of Cricket. The people these men represent, Administrators and supporters included, have chosen a noble path of Non- Racialism.

This game will be played under the Banner of the South African Cricket Board, whose president is the FATHER of NON-RACIALISM, Mr. Hassan Howa, who up until this day has upheld that Principle. Yet, a man of this great distinction was ousted in his absence at a SACOS meeting.

To all those who are connected to the S.A.C.B. I say " Be Able To Love & Play Cricket and Still Be Able To Love FREEDOM and JUSTICE Based On True NON – RACIALISM " Do not be an APOLOGIST, do not OPPRESS, and do not be OPPRESSED.

The Best of luck to both teams. May they provide much entertainment, that will be rich in friendship and sport, for all of us.

HASSAN HOWA – President: South African Cricket Board

Thank you for requesting me for a message for your brochure.

I am deeply conscious of the difficulties, you the administrators, players and supporters of the ideal of NON – RACIALISM are experiencing at the moment, but I am sure that you, like myself will suffer all these obstacles and unpleasantness gladly with the knowledge that very soon our children will reap the benefits of our sacrifices.

We read that all permits and obstacles in the way of multi-racial sports will be removed by amendments to the laws, such as the Group Areas Act, the Separate Amenities Act; the Liquor Act and the Bantu Urban Act.

What is the benefit in playing sports together and having our families and friends prosecuted and ejected from their homes and businesses while the GROUP AREAS ACT is on the STATUTE BOOK ? Where is the gain in being able to play in a "GHETTO" and if you want to visit a friend you would be prosecuted for not having a permit etc. etc. etc.

The answer is simple. The oppressor cannot do without our co-operation to regain international sports membership. We cannot and will not give that co-operation to them without them giving us full citizenship of our country.

BEST WISHES.

Ahmed Mangera — President: Transvaal Cricket Board

The Officials and Members of the Vaal Cricket Club are to be congratulated for hosting the Transvaal vs. Natal, Howa Bowl Inter-Provincial Fixture at Roshnee.

I profoundly believe that hosting these games at various centres will create an atmosphere of togetherness, goodwill, mutual respect and above all a better understanding of our problems and the struggle we are presently engaged.

The need to inject young blood into the folds of administration has grown to serious proportions. Senior and matured administrators are on the way out and younger men have to be trained and guided to assume this onerous role with keenness, dedication, new and brighter ideas.

The Transvaal Cricket Board and the South African Cricket Board are institutions founded on immutable principle of Non-Racialism, where the colour, creed and religion of mankind has no consideration. Therefore in the South African concept there can be "no normal sport in an abnormal society." We cannot negotiate, nor compromise on this stand and our adversaries' hopes would serve futile.

I must advise all cricketers and sportsmen in general, that to uphold this honest principle you have to believe first in accepting the truth; it offers a great challenge to all individuals to unite under one banner and show strength and courage of your convictions. Be devoted to the cause and one day we shall all sing together "Free at Last, Free at Last".

Finally, I pray that this Inter-Provincial Fixture be a tremendous success and that our visitors enjoy a pleasant stay at Roshnee.

**BEST OF LUCK**

ASHWIN TRIKAMJEE

President: Federation Professional League

I am privileged to be able to contribute to the efforts of the Vaal Cricket Club in assisting the Transvaal Cricket Board in staging this game.

Cricket, together with Soccer has formed the backbone of the Non Racial struggle for many years and both these sports have suffered recently as a result of the war that has been launched against it by the establishment. The struggle must therefore be intensified and strengthened all round. The racial sport administrators will do all within their power to destroy our cause in their attempts to hoodwink the international world. However, with the will to sacrifice in the struggle for equality they will not succeed.— WE SHALL OVERCOME !

To the Officials of the Vaal Cricket Club — well done and may your venture be a successful one. To both teams — good luck (I am sure Natal will emerge victors !).

# CRICKET

You have two sides, one out in the field and one in.

Each man that's in the side that's in goes out, and when he's out he comes in and the next man goes in until he's out.

When they are all out the side's that out comes in and the side that's been in goes out and tries to get those coming in out.

Sometimes you get men still in and not out.

When both sides have been in and out including the not outs, that's the END of the GAME.

*Howzat!!*

## MESSAGE FROM

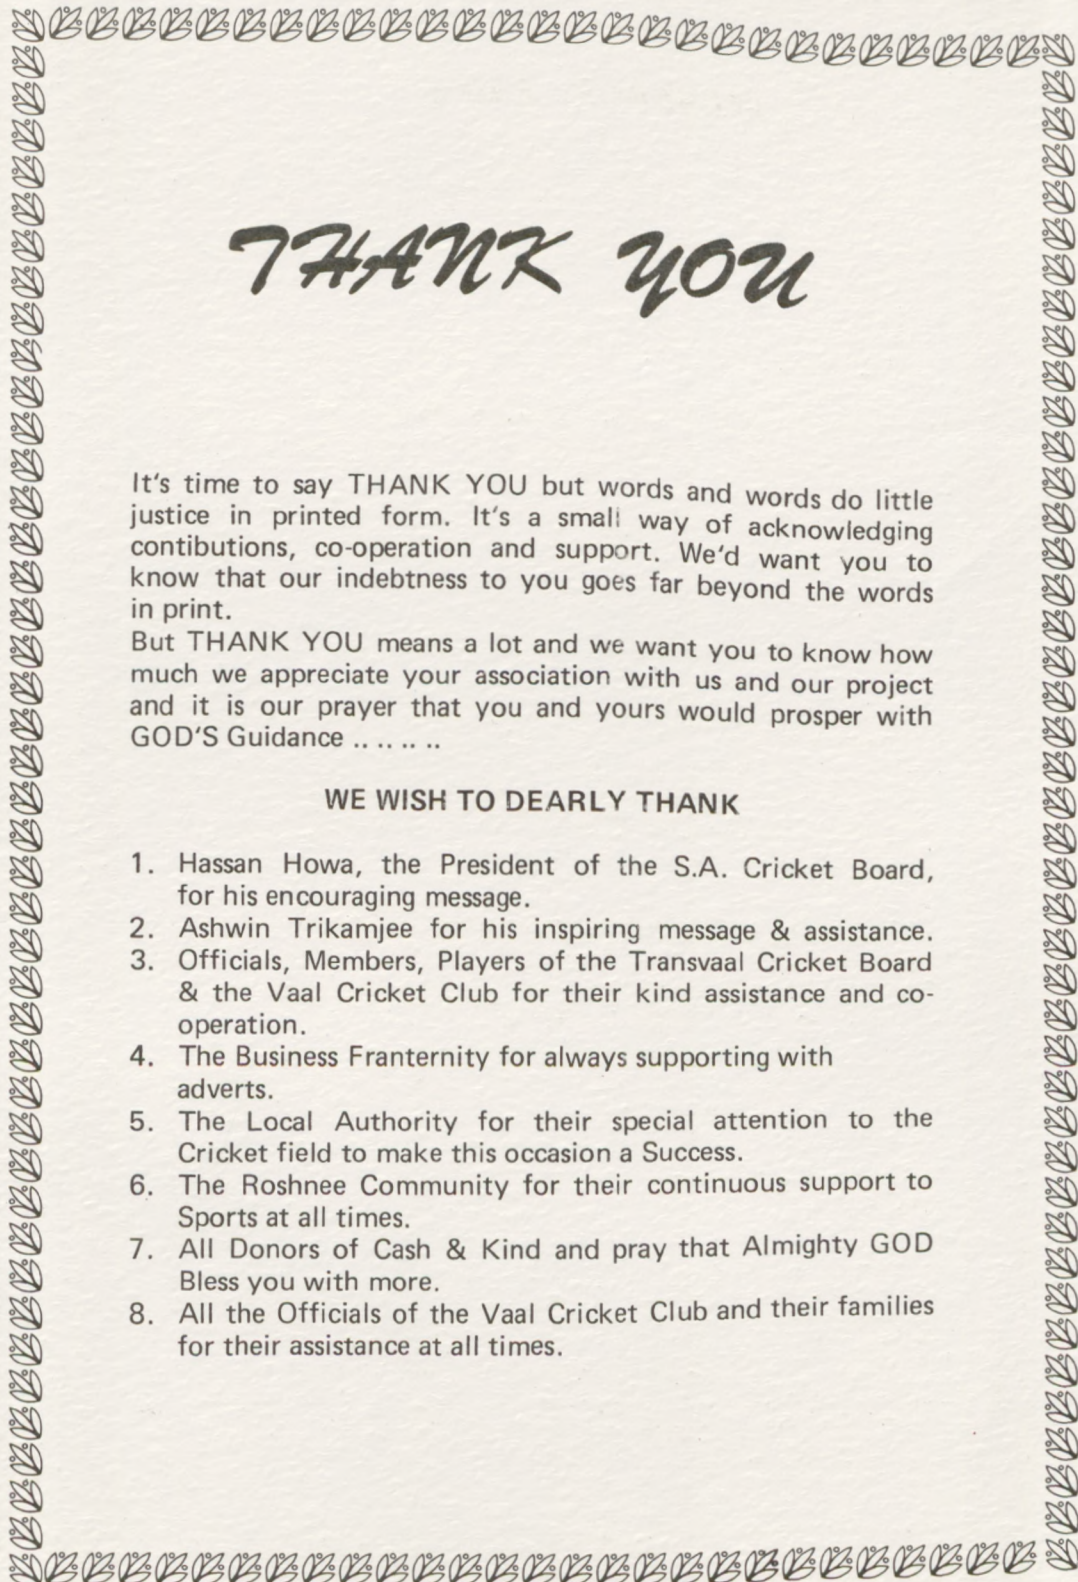

A.B. Gandabhai — Secretary — Transvaal Cricket Board

The Board's policy of "spreading its wings and of bringing cricket to the people" has resulted in this inter-provincial being staged in Roshnee. Games in Potchefstroom, Benoni, Lenasia and Johannesburg has aroused much needed spectator support and has allowed non-racial cricket and its policies and principles to be understood quite clearly in relation to the multi-national policy of the Transvaal Cricket Council.

I look forward, with great pleasure, to the first inter-provincial of our Board to be held in Roshnee. The development of the organisers, Vaal United Cricket Club, from the time of the inception of the Board five years ago has been quite dramatic, fielding teams in the first, second, third and junior divisions of the Board's league competitions, which no doubt augurs well for the future.

I am confident that their undertaking into hosting the Transvaal — Natal game will be successful and the fact that the clash will be keenly contested will leave happy memories of the three days spent at the grounds in Roshnee.

I wish to take this opportunity to once again expound our demands: 1. Cricket in South Africa must have one non-racial, not multi-national, national body to control and administer the sport. 2. Every provincial body must consist of unreservedly open clubs. 3. All training, coaching and playing facilities must be open. 4. No teams must tour overseas or visiting sides be entertained until non-racial cricket has been achieved — "clandestine" tours must end. 5. Schools' sport must be played on a completely non-racial basis. The separate school systems breed racialism and can never provide equal opportunities for school sports. 6. The restrictive and humiliating acts of Parliament such as the Group Areas Act, Separate Amenities Act, Liquor Act, etc., must be abolished.

# THANK YOU

It's time to say THANK YOU but words and words do little justice in printed form. It's a small way of acknowledging contributions, co-operation and support. We'd want you to know that our indebtedness to you goes far beyond the words in print.

But THANK YOU means a lot and we want you to know how much we appreciate your association with us and our project and it is our prayer that you and yours would prosper with GOD'S Guidance . . . . .

## WE WISH TO DEARLY THANK

1. Hassan Howa, the President of the S.A. Cricket Board, for his encouraging message.
2. Ashwin Trikamjee for his inspiring message & assistance.
3. Officials, Members, Players of the Transvaal Cricket Board & the Vaal Cricket Club for their kind assistance and co-operation.
4. The Business Fraternity for always supporting with adverts.
5. The Local Authority for their special attention to the Cricket field to make this occasion a Success.
6. The Roshnee Community for their continuous support to Sports at all times.
7. All Donors of Cash & Kind and pray that Almighty GOD Bless you with more.
8. All the Officials of the Vaal Cricket Club and their families for their assistance at all times.
