~~The May day 1900~~

The executive was instructed to send delegates to the minister of labour & fines for people who failed to attend the General Meeting. The wage report they do not agree to a uniform wage. Europeans should differ with those of the French since it covers both Africans. Do not agree. We know that most of the factories are closing down. The capitalists not for the workers. The slogan should say
we will fight & destroy
the extension of passes
to African women. We must
go to the mass and orga-
nize the women.

At that conference the
T. V. L. Sec. gave a report
which was accepted by the house.

National stoppage of work
was decided.

The Winberg women were
not aware that they were
taking passes. It is surprising
for the Govt is so good for
educating our children.

This should ^{be a} Country Wide
Campaign. Women should be
encouraged not to take
pass. Pass can be fought
by strikes ~~by~~ many
others which is the
best. by way of finding
how best the branches
are organised. then a step
can be taken. We must
be prepared to use any
method that we will be
directed to by our
leader. but it not happen
at the time when the
Govt. is already issuing
pass to African Women
delegates. the decline.

The directives are as follow. To educate the mass on the extention on mass to African women. Branches are called upon to call meetings & conferences in their local areas. This campaign should be very broad, every African campaign should be instigated by both black & white. The S.A.F. Transvaal branch held a very big conference. Germiston had a demonstration to the N. Comm but not has a report for the house to house campaign. Demonstrations in Durban. O.F.S. Branch also point out the two big meetings.

The Cape not giving
us any report, ~~not~~ whether
at a houses to house is
being done. the report was
not enough a verbal report
from provincial Sec.
Even if the N.W.L. is still
new is doing magnificent
work:

↓ The struggle has been
going on for many years.
The extension of passes
to African women. the
struggle should be revived
in order to fight the
extension.

The women are
in the fore front but that
struggle is not enough
only if the men are with
us victory will be won
