RESOLUTION.

"That this Conference views with alarm the organising of movements by coloured people on lines of the Boy Scouts' Association, that it does not wish to hamper the spread of these organisations for it believes these movements to be for the good of the people concerned, - at the same time it feels every effort should be made to safeguard the welfare and continued life of the movement for white boys, and in consequence it feels its duty is to the lads of our own race first. It requests the Transvaal Scout Council to ask the Union Scout Council to await on the Prime Minister, and to endeavour to put through the House a Private Bill, registering the Boy Scouts Association, as an organisation, - the title "Boy Scouts " thus being confined to the white population of this country."

Proposed by D/C K.N. Fleischer.
