Maintained by Public Corporations, if any																							
All other Institutions																							
Total																10							

NOTES.—(1) Institutions which provide courses of more than one Group are shown in each column. This explains any apparent discrepancy with Table I.

(2) Teacher and Vocational training shown under Secondary is training begun after completion of the Primary Course.

(3) Teacher and vocational training shown under Primary is training begun at a stage before the full Primary Course has been completed.

(4) All teacher training will normally be at the post Primary stage, but provision is made under the primary section for any exception to this.
