Dear Archdeacon Bailey,

We are so pleased to know that Bishop Burnett is feeling much better. Mr. van Wyk thanks you for the message.

It is good of you to assure us that either you or the Bishop will represent the Institute ~~at~~ the National Council of African Women meeting. We asked their General Secretary to write the Bishop direct and make arrangements with him. He had said that December 17 was the only possible day for him. They hoped for an address and were to discuss a suitable subject with him. Being their Silver Jubilee year this conference is rather special.

Perhaps it would be as well if you wrote to her yourself to save time. The address is: Mrs. L.S. Masuabi,
144, Claude Street,
Green Point,
Beaconsfield,
CAPE.

With many thanks,

Yours sincerely,

Dear Mrs Scott,

I do apologise for not answering sooner your letter about representing the Institute of Race Relations at the conference of the National Council of African Women at Thaba 'Nchu on ~~November~~ December 17.

Our Bishop hopes to be back in the diocese the week before that, and I shall get in touch with him to see whether he still wants to keep that engagement or not. He will certainly have a good deal of diocesan work waiting for him, so may I say now that I shall be glad to take it over if he would prefer not to do it himself. So you can tell the NCAW that the Institute will certainly be represented, and if you or they will let me know details of time and place nearer the date I can pass them on to the Bishop if he decides to go himself. Do they expect an address, or just a message of greeting? and, if an address, has any particular subject been suggested?

The Bishop is now in Italy, and our news of him is that he had a good rest on the voyage there and is already feeling very much better. His doctors say there is nothing organically wrong with him, but on their advice he put forward the three months' leave which he had been planning to take early next year. Please will you pass on this news to Mr van Wyk, who is an old friend of his.

With all good wishes,

Yours sincerely,

Donald A. Bailey

Dear Archdeacon Bailey,

We wrote to you on 24 September (copy enclosed) asking if you could possibly represent the Institute at the annual conference of the National Council for African Women. The letter may not have reached you.

Do you think you could do this for us?

Dear Archdeacon Bailey,

Bishop Burnett was to have represented the Institute at the annual conference of the National Council of African Women to be held in Thaba 'Nchu from 15th to 19th December 1962. He had agreed to speak on 17 December. We are very sorry indeed to hear that he is ill and has been advised to rest.

The Director would be most grateful if you could take over this commitment for us. The organisation is celebrating its silver jubilee so we would like to be represented. If you could attend on one of the days, and if possible address the Conference, we are sure they would be happy to welcome you.

Yours sincerely,

(Mrs.) M. Scott,
ADMINISTRATIVE ASSISTANT.

The general conference of the National Council of African Women will be held at Thaba Nchu from the 15th - 18th December 1962. At the same time this organisation will be celebrating its 25th anniversary (Silver Jubilee).

We therefore extend an invitation to the Institute to send a delegate as an observer and to address our conference on behalf of the Institute of Race Relations.

Wishing you every success.

My dear Mrs. Scott,

Thank you for your letter in which you invite me to represent the Institute at the Annual Conference of the National Council of African Women at Thaba'Nchu in December. I would be glad to be of use to the Institute in this way, more particularly since I seem able to do so little for it anyway. I take it that if I am to speak I will be given some idea as to the theme or purpose of the Conference. I will otherwise be in the dark about the sort of address required.

The dates you gave me are Dec. 15th - 18th. I'm afraid I can only manage Monday 17th. All the other days are already booked up in my diary. I hope this day will do. Please ask the N.C.A.W. to make contact with me and let me know about the Conference theme.

Yours sincerely,

Dear Bishop Burnett,

The National Council of African Women is holding its annual conference at Thaba Nchu, from 15 - 18 December, 1962, when it will be celebrating its silver jubilee. We have been asked whether the Institute could send an observer who would address the conference. The Director would be most grateful if you could attend representing the Institute. Your expenses will of course be met.

Yours sincerely,
