

MEMORANDUM ON DET/SGT: MINNI.

Testifies to certain people being present at an A.H.G. Conference at Orlando in 1956, and he includes Mkwai (117) as being one of those who attended. Mkwai alleges he was not there but in the Cape at that time.

Witness says he cannot be mistaken in his identification for the reason that he has noted Mkwai's name in his report - but under examination by the Court says he has no present recollection of seeing the accused but bases his evidence entirely on the fact that Mkwai's name appears on his report. p. 5537 (V.28).
