CIRCULAR TO ALL REGIONS

Dear Comrades

The United Democratic Front has just come out of an intensive anti-election campaign marked by glorious victories. We have also just completed one year of hard work. During both the one year of the UDF and its anti-election campaign definite experiences were accumulated and certain lessons drawn.

We are now faced with the task of extracting from our past campaigns, these experiences and lessons and to use them effectively to define the way forward of the UDF. The National Office can definitely not do anything in this respect unless a feedback is received from Regions.

As a starting point, I suggest that Regions do the following:-

1. forward to the National Office update on regional reports. This should include the latest MSC figures, latest lists of affiliates and their addresses, dates of last R.G.C meetings. If any elections for new executive committees dates thereof, list of names of new executive members, their addresses and telephone numbers. All anti-election meetings dates and attendance figures.
2. forward to the National Office regional programmes in respect of Removals. If nothing has been worked out yet, I suggest that serious discussion must go into this matter (a workshop if possible). We cannot afford to shelve it any longer. We must come out with practical proposals. The National Office can only act on the basis of guidelines provided by Regions. I believe that Removals must now constitute one of our major focuses in the post election period.
3. organise workshops to evaluate the work of the UDF so far pinpointing gains and failures/setbacks, and finally working out proposals on how to improve on work. Affiliates must participate in this regard.

2/.....

4. look seriously into the question of the housing conference: (refer to earlier circular(s)). Please note that Comrade Yunus of Natal is the co-ordinator. All suggestions must be forwarded to him.
5. discuss and forward to the National Office proposals on criteria for co-operation of new regions.

Please forward feedback to the National Office not later than Wednesday September 26, 1984.

Looking forward to greater success in the post election period.

Yours in struggle,

P. Molefe
