Dear Miss. Munton,

RE : CHILDREN'S CRECHE : ORLANDO TOWNSHIP.

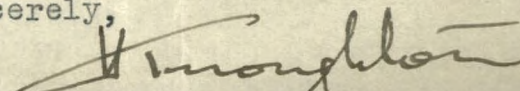

Further to my letter of the 8th ult., I have to inform you that we have not been successful in obtaining the use of a cottage in Orlando Township, and my Committee is anxious to avail itself of your offer of Leake Hall at the rental suggested, i.e. 5/- per month. Any damage done to the property during Creche hours and by the Creche staff or inmates will of course be repaired at the expense of the Society. I am communicating with Miss. A. Fearnhead, regarding the use of the Hall by the Wayfarers and Mrs. Rheinallt Jones has suggested that we may perhaps be of service to the Wayfarers by giving them the opportunity of learning child care.

We await the final decision of the Municipal General Purposes Committee to be held in January regarding the installation of the necessary equipment, and Mr. Venables is hopeful of the Creche being ready for us by the 1st. February, 1938, from which date we have already engaged a nurse.

I shall be glad to receive your formal reply as soon as possible in order that we may notify the Women's Welfare Association as to when we are likely to start the Creche.

My Committee very sincerely appreciates your co-operation and help in this matter and looks forward to further friendly association with your Mission.

Yours sincerely,

  
Secretary.

THE ORLANDO LEAKE HALL COMMITTEE, ORLANDO.

LESELING,

AUG. 18. 1937.

ORLANDO TOWNSHIP.

Dear Mrs. Rheinalt Jones,

The Orlando Leake Hall Committee have instructed me to write to the Trustees, asking them to meet and to reconsider:-

- a) The management of the Hall.
- b) Appointment of New Executive. ( Only 4 are left.)
- c) To consider the Application of the Women of Orlando to use the Hall as a Creche. ( The Childrens' Aid Society have been asked to supply you with a Memorandum.)

As we are uncertain as to who all the Trustees are, I am writing to ask you if you would call them together to consider the above list. I gather that the Rev. J. B. Cantrill and Miss Brown have already talked to you about them.

The enclosed information about the Hall may help the Trustees.

Yours sincerely,

THE ORLANDO LEAKE HALL COMMITTEE, ORLANDO.

LESELING,

To:-

The Secretary,  
The Children's Aid Society,  
Sauer St.,  
Johannesburg.

Dear Madam,

The Committee of the Orlando Leake Hall considered the application of the Women of Orlando to use the Hall as a Creche and will be quite willing for it to be used so, subject to the approval of the Trustees.

I am writing to the Trustees to ask them to meet to consider this proposal so will you let me have a memorandum of your proposals for running the Creche which I can put before them.

Would you need much equipment there to begin with and would it be of a nature that it could be packed away so that the Hall could be used for other activities on the days you are not there?

Then there would be the matter of rent as we are obliged to charge something for cleaning and keeping the place in order. Would the Municipality pay this through your Society?

I do not know if you know the place but if you would wish to come I shall be glad to show it to you and talk things over.

Yours sincerely,

*Leake Hall*

Dear Madam,

The original agreement with the Trustees of the Leake Hall, Orlando, for use of the Hall as a Childrens' Creche, was that a nominal rental should be paid by the Society for hire of the Hall. As we have received no account at all the Committee begs to enquire whether the rental is chargeable, or whether this has been waived on account of improvements to the property.

We are now in touch with the Municipality to put in a light ceiling and wooden screens to make the Hall less draughty for the children in the winter months. The screens will of course be moveable. May we have the consent of the Trustees for this addition if the Municipality accedes to our request?

Dear Madam,

I am sorry I have not replied earlier to your letter of the 18th ult. It is very kind of your Committee to be willing to allow the use of the Orlando Leake Hall as a Creche. Mr. Dexter Taylor, the Chairman of our Committee for Non-European work, and I are making arrangements to come out and see you and survey the need for such a Creche, with the assistance of Mr. Tema, who is also on that Committee. My Society has no funds at present which would enable us to consider the extension of our work in this direction, but if the need is found to be urgent, it may be possible to assist the women of Orlando to run a voluntary Creche in the mean time.

May I arrange a definite date with you later in the month when we return from the National Conference.

Dear Miss. Munton,

RE : CHILDREN'S CRECHE : ORLANDO TOWNSHIP.

We were very regretful that our message to you about the deputation from this Society meeting the Women's Welfare Association at Leake Hall on October 15th did not reach you in time to enable you to meet us. For various reasons the meeting was uncertain until within two days of the date. I tried to get you by telephone throughout the 14th without success, and apparently your post is also uncertain.

We had a very interesting meeting and examined the Hall to see whether the running of the Creche was practicable. Before we do anything further we wish to ask your permission to use the Hall for this purpose in conjunction with the Women's Welfare Association. It was suggested that we ask the Municipality to instal a small stove in the little room on the tennis court side and to lay on water to that room and the other small room. The first could then be used as a kitchen and the second as a sleeping room for the tiny babies. The necessary equipment would be very small. By degrees we could get details chairs and tables and sleeping mats. With a large cupboard in the sleeping-room and one in the kitchen, and perhaps the privilege of locking the sleeping-room so that the equipment could be packed away in it, I think that the Creche could be started. The women were very keen and were prepared to arrange for voluntary cleaning and assistance for the nurse. We should have to appoint a trained native nurse in charge of the Creche. Do you know of a suitable local woman, otherwise we shall ask Miss. Codes to find one?

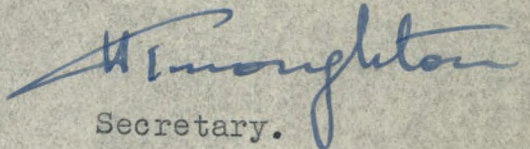

With regard to rent, would you kindly let me know what charge you would make for the daily use of the Hall, if cleaning is arranged by us and no lights are required.

Miss. W. Munton.

23rd. October, 1937.

My Committee would be grateful if you could now place the whole project before your trustees and on receipt of your reply, I will communicate with the Municipality. In order to avoid any confusion I would like to state that the request for the Creche came to this Society from the Women's Welfare Association which I understand is sponsored by Miss. Janisch and Miss. Henderson. The latter, however, are leaving everything in the hands of the Association and this Society, and should the Creche be started it will be on the responsibility of this Society.

Yours sincerely,

My Committee thanks you for your letter of the 4th November, 1937, granting permission for the use of the Leake Hall as a children's Creche, and we are approaching the Municipality for the equipment required. Arrangements will have to be made for the closing of the Creche on Wednesday afternoons for the present.

I have received a message from Mrs. Rheinallt Jones stating that the consent of Canon Woodfield at present in England will have to be obtained before arrangements are concluded. Mrs. Jones suggests that the Hall be rented to the Society for three months at a rental of 5/- per month. The Society to pay for water, light and sanitary fees, and to refund any damage done. She seems to think that other arrangements can be made for the Wayfarers.

Would you kindly inform me whether this is the official decision of your Committee?

Dear Senator Rheinalt Jones,

LEAKE HALL, ORLANDO

I am advised by the Secretary of the Children's Aid Society that the Trustees of Leake Hall are willing to rent the Hall to the Society for the purpose of establishing a creche.

The Society has now requested this Department to assist them in the matter of the laying on of water and the provision of a kitchen sink in each of the two small rooms at the rear of the hall and also the provision of a coal stove in the small room nearest the tennis court.

Before reporting this matter to my Committee, I shall be glad to learn whether the Board of Trustees would have any objection to the Council supplying and fitting this equipment in the Hall.

Yours faithfully,

Use of Leake Hall  
-----

I have been in consultation with Sir Reginald Blankenberg, co-Trustee of the Leake Hall. The Rev. Canon S.P. Woodfield, the other co-Trustee, is at present overseas.

Sir Reginald agrees that it would be right to use the hall for a creche, but we shall wish to have a Trustees' meeting on Canon Woodfield's return just before Christmas to discuss exact terms. In the meantime, Sir Reginald agrees that the hall may be used for that purpose provided that we are put to no expense in the matter of the erection of cupboards, taps, etc. required for the creche. Also, that the Childrens Aid Society will be responsible for the repair of any damage to the building caused by their tenancy.

I will recommend to the Trustees' meeting that a nominal charge of 5/- per month be paid by the

- Childrens -

Childrens Aid Society for the use of the hall.

Pending the Trustees' meeting,  
Sir Reginald and I agree that the Childrens Aid Society
