

Dear Rose,

Here is a copy of the plan for the campaign with G. Rand - would you please check the following with Mary Woodley

**AREAS**

I wrote to her to bring the book which I made out for her. In this you'll see at the beginning a ~~the~~ page for each area on the G. Rand who is supposed to be working there

~~But~~ you don't here are the areas on which some report should be given:

Garrison, Natalsfont, Alherton - B. will report

Boksburg,

Laweyton, Watville, Efrican loc<sup>n</sup>,

Brakpan

Kwa Thema | springs

Paynesville

Nigel

Also some reports of what is happening with the Group Areas protest - please help Mary to get organised - don't let her side track you with sensational stories of corpses, funerals & divorces!

East Rand

15/5/57

Germiston - visited by Muriel  
or Joyce, who saw  
Violet or Elizabeth.  
Promised to collect  
pledges - are busy on  
the job now.

Alberton - pledges have already  
been signed. Eliz.  
will be asked to bring  
them in on Sat.

Bohlsburg - Maria or Gladys Kosman  
went out. Have been  
promised pledges - not  
yet received. Maria  
will contact tomorrow.

African location - some pledges (60)  
came in + 5/- Muriel or  
Mary went to collect  
but old man wasn't  
there. Muriel -  
will contact  
him again tomorrow.

## 2 PLEDGES, 2

Pledges received to date are

BENONI 232

BRAKPAN 11

HEIDELBERG 66

PAYNEVILLE 23. — Total 332!

It is a really ridiculous figure compared with our target. And the target is possible if the women organise correctly.

### 3 FINANCE

I am very concerned also about the money side — many reams of pledges have been poured into Benoni & I have got money for the paper, but I know that it has come out of the money raised at the conference, and very little from the pennies from the pledges. Each ream has 1000 pledges — just over £4 in pennies!! This money stays in Benoni, & all we need is money for paper and transport for visits from here (please collect it) — from Mary — I have asked her to bring it to you; it is for your petrol — we are trying to train the regions

Walthville - have contacted  
Mrs Chene &  
Mrs Morley Quira - taken  
pledges. Muriel will  
collect tomorrow.

Daveyton - pledges given, not  
returned. Will  
contact again.

Cape Stands: Mrs Mateman  
& Charlotte Fane will bring in  
further pledges tomorrow.

Brakpan: Have sent in  
+50 pledges + 12/7.

Spring: Snydenille sent in 23.  
Kusa Thema -- -- 11.

Nigel. Nothing yet.

---

Pretoria: No coloured contact.  
Mrs Teshe<sup>(E)</sup> lives there  
and is organising Coloured  
women. She or Mary or

to pay for petrol for these visits.) The ~~few~~ money left over from the pennies after paper transport costs are paid, is for the local costs of organising. I should also pile up sufficiently to assist in sending people out to the country areas as required. But the position is very bad - I have asked Mary to give you a financial statement - this should be from the time of the conference.

#### 4 PERSONNEL

F. Raud

Here is a list of the Committee, marked with an asterisk - do please check with Mary what each one is doing & whether contact has been made. - Also asked Mary to fix with you a Saturday afternoon for a meeting & I'll send letters. I suggest that it could be an enlarged com. meeting then I'll write to all these women and try to get them all to come.

#### 5 CONFERENCE

Discuss date only -

23rd June

others met at the  
Ellindine. One working  
with Mrs. Pelly.  
Violet <sup>Gally</sup> going there next  
week for a week to do  
house to house canvassing.

Delmas: Have given pledges  
to Mrs ~~Lucas~~ Tran  
for farms.

---

Booklets - Christmas 25  
Mary Hoodley 25.

---

Cash recd: £ 1/7/6 since conf.  
Bal. on hand £ 4-7-0.

---

→ tell them to start organising for transport  
but please impress the success of conference  
(possibly on last!) must depend upon  
the number of phrases collected -

I have asked Mary to bring Rakha  
Lusari, who should have started by now is  
organistic Indian woman, as the fast is over.  
She can get transport from her brother <sup>Dr Ansari</sup> ~~and~~  
& should be encouraged to go to the Reef  
areas with Mary & Muriel Midwanagi with  
her.

I think this covers most of what needs  
to be discussed - Bertha knows the whole  
set up & will be able to report on Natal-  
sprung & Gerniston also ~~and~~ suggest  
the organisation -

~~the~~ Adlen.

Martha Alway - doing nothing.

Sarah Lewis - has brought in.  
LKB.

K. Hurdocks - nothing.

---

Has brought in Mrs. Ellendine  
Charlotte Frens & Mrs. Ishere.
