Financial Report For U.C.T. Branch

The following is a sketch report on the financial state of the U.C.T. branch of the End Conscription Campaign up until 01/10/87 as requested.

The latest exec was elected in August including the portfolio of treasurer. Financial records at this point were not comprehensive but our total account balance stood at R400. This had been raised in the course of the year at various minor fund raising events eg. cake sales, sale of T-shirts etc. We were boosted by the fact that our official status was that of an SRC sub-committee, The Conscription Action Group, which allowed us access to this group's 1986 budget.

Since then we have seen the election of a new SRC and are awaiting confirmation of our status as a campus society which will, in turn, allow us access to approx. R200 from this SRC's budget.

We have also staged a very successful fundraising concert where we included the sale of sundry ECC "craftwork" including badges, clothing etc.

Fundraising and thrifty spending are often considered and general consideration of a limited budget seems to be good. Structurally this is aided by the fact that there are fundraising reps in each sub-committee and these reps form the fund raising group co-ordinated by the treasurer. Practically, this is possibly under utilised although the aim is to have fundraising continually on the agenda or at least in the near background.

Our financial position is therefore well consolidated and we are able to be secure in the fact that we can move through to an exciting orientation week program in early 1988. [major initial campus focus].
