How to earn **MORE MONEY**

You will earn only a little money if you are tired. But if you are strong, and your nerves are good, and you are filled with life, then you will earn more money. The way to be

strong is to take Phosferine. It feeds your nerves. It quickly puts back the strength that you use in your work. Phosrine will make you a king am African workers. Soon the master will say of you, "He is a good boy. He works well. He is strong." Then you will earn more money. Don't wait. Buy some Phosferine from the Chemist or the Storekeeper. Take some every day. It will make you feel better and stronger very quickly.
