RENTS WE CAN AFFORD!

Dear Residents,

By now we are sure that you are aware of the increases in rents, bus fares, creche, burial and bioscope fees proposed by the Daveyton Town Council.

The council claims to be responding to the "dire needs facing the community" and that these increases are in the interest of the community. If implemented these increases will further burden a already overtaxed community and make our living conditions completely unbearable and we therefore fail to see how these increases are in the interest of our community. The increases only prove that the council merely has the white rulers' interest at heart and not the Daveyton community. It is only when we strive for the elimination of high rents, starvation wages and all forms of exploitation that we can claim to have the community's interest at heart.

Let us not be fooled by so-called "leaders" who are rejected by the majority of our people; let us unite to put an end to high rents and bus fares. Let us voice our total opposition to these increases and not merely to the way they are being implemented, by attending a
