STATEMENT TO CITY PRESS RE: CLIFF SAUNDERS
REQUEST INTERVIEW WITH OLIVER TAMBO

We should welcome Oliver Tambo being interviewed on SABC so that all must be given the opportunity of hearing the views of those who are fighting against our oppressive regime for a democratic South Africa. However, we do not believe that he will be given a fair hearing and snippets will only be used to help booster the regime under which we suffer. Tambo has spoken at length at Matola, Cassinga, Maseru, Tanzania, Angola, the United Nations and many other places and we have always been denied to hear his views. Publish all these many speeches of the leader of the vanguard movement of our country if we are to believe the intended interview with Tambo on SABC is nothing more than furthering the interest of the ruling class. Our service "Release Mandela" has been banned, we have been denied attendance at the funerals of our many people who have been killed, the mothers of three brave young men who were robbed of life were denied to bury their sons along with all their comrades. We shall not forget and reflect their interview with Tambo.
