MINUTES: The phrase "in promoting Scouting on the Reef" was added
to the sentence:- "Fr. Winter asked how far co-operation
of the School Superintendents was obtained." noted under
Matters Arising out of the Minutes, paragraph (4) Trainers.
The Minutes were then confirmed.

MATTERS ARISING OUT OF THE MINUTES:

Patrol Leaders' Training Camp. Capt. Barber who acted as
Deputy Camp Chief submitted
a written report on the Camp. He pointed out that the aim
of the Camp was to train Patrol Leaders on their reponsibi-
lity and not to pass them in individual tests. Present were
147 trainees from 29 troops on the Reef. A fine spirit of
scouting prevailed through the Camp. There was daily impro-
vement in the Camp kitchens and gadgets made and this was
a credit to the Patrol Leaders. The two full time Trainers
contributed considerably towards the success of the camp.
He wished to thank all the other Lecturers for their
Assistance and asked that letters of thanks be sent to Mr.
G. Ballenden (Manager) and Mr. Christiana (Fore-man of
Works), both of the Non-European and Native Affairs Depart-
ment, and to Capt. Bridges of Nancefield for various
services rendered in connection with the running of the
camp. He also asked for some definite arrangement about
campers being given leave to attend religious services on
Sunday.

A vote of thanks to the Deputy Camp Chief was proposed by
Mr. Marivate and passed unanimously.

Defence Force Regulations: The Chairman reported that the
matter of forms to be issued
in this direction was in hand.

Leake Hall. The Secretary was asked to write to the Super-
intendent of Orlando asking for the keys of the
Leake Hall to be handed over to Mr. P. Mashego until the
return of Fr. Lunniss.

Registration fee from Warmbaths. The Assistant Secretary
reported that the troop
in Warmbaths which had mistakingly sent in a registration
fee of 28/- agreed that 5/- be paid in as its subscription
towards the Pathfinder Scout "Ambulance Fund" and that the
balance after deduction of the registration fee be credited
to their Equipment Account.

ORGANISERS' REPORTS: Both Organisers submitted written reports
on their activities since the last Council
meeting. Mr. Mokgako reported on his visits to the
Amalgamated School at Nigel and to a Pathfinder Rover Scout
Crew at Grootvlei Proprietary Mines. He also mentioned that
he had received the approval of the authorities of the
Roman Catholic School in Village Main about the starting/...

starting of a Scout Group in their School and had met Mr. Wauchope of Nourse Mines and Mr. Ferdinand of Cleveland who wished to start Scout Groups.

Mr. Marivate reported on his visits to Van Heining in Warmbaths and to De Putten School in the Pretoria District where he had been asked to judge two scout competitions. Owing to inadequate arrangements for his reception at Van Heining Mr. Marivate had incurred an expense of 11/- and wondered whether, in view of recommendation NO: 3 of the Finance Committee as embodied in the minutes of the Council meeting held on Tuesday, 27th May, 1941, he would be entitled to a refund. He explained how unsatisfactory it had proved to be to depend on the hospitality of those who invited the Organisers and hoped that some other satisfactory arrangement would be made. Mr. Mokgako agreed with the statement made by Mr. Marivate.

After considerable discussion it was agreed that

(i) Mr. Marivate be reimbursed to the extent of 11/- and that the Assistant Secretary be authorised to make the payment from Petty Cash.

(ii) A written report from the Transvaal Pathfinder Scout Council be forwarded by the Chairman to the Divisional Pathfinder Scout Commissioner pointing out the disadvantages mentioned by Trainer Marivate and asking him to consider the advisability of rescinding the Finance Committee recommendation already quoted and possibly to suggest a better alternative.

(iii) The Organisers send an extract of the salient points in their reports to the Scouter who had been paid the visit and to his District Commissioner.

TRAINING COURSE SUB-COMMITTEE.

The Committee recommended to the Council that

- (a) the Scouters' Training Course at Bushbuckridge in July be held as forty-six applications had been received.
- (b) Trainer Marivate be instructed to visit D/P/S/C Revd Max Buchler at Bushbuckridge immediately in order to obtain all necessary information about the arrangements made for this camp. - suitable dates of course with reference to train connections, provision of free transport from Graskop to Bushbuckridge, facilities for conducting the camp on the lines of the Patrol System and the possibilities of getting regular supplies locally at reasonable prices etc. The travelling expenses and the subsistence allowance would be debited to the amount voted for the Camp.

Both recommendations were approved.

The Committee also made the following recommendations.

(i) That in arranging for a free period in camp for religious services on Sundays it was felt that where the church authorities desire their boys to attend their own services on Sunday or any other day of obligation, they should, if possible, provide their own minister and the service should be held in camp.

(ii) Failing their being able to find a minister of their own, the boys should be allowed to attend a service in a church nearby but they must go in full uniform under the charge of an officer. This parade should be in the morning. Agreed.

(iii) That as they had observed the Assistant Secretary could cope up with the pressure of work on him, it was agreed to release him from the duties of taking the minutes of the Committee and Mr. Mokgako volunteered to take his place. NOTED.

The district was well represented but he was disappointed that the majority were not dressed in full uniform. The attention of the responsible Officers, however, has been drawn towards improving this state of affairs.

SCOUTING AND TRAINING IN PHYSICAL CULTURE.

The Training Course Sub-Committee recommended:-

(i) That the Transvaal Pathfinder Scout Council investigate the possibility of obtaining a grant from the National Advisory Council on Physical Education on the grounds that through its outdoor activities the Pathfinder Boy Scout Movement is promoting the health of a great number of Non-European boys within the province of the Transvaal.

(ii) That the Council approach the Union Department of Social Welfare with a request for a pound for pound grant to be made available to Groups on the lines of the grant already available to European Boys' and Girls' Clubs: The grant to be utilised for the purpose of developing training in hobbies and handicrafts through the Proficiency Badge System.

REGULAR WEEKEND TRAINING CAMPS FOR SCOUTERS. It was resolved to recommend that the Council authorise the Training Team to hold a monthly weekend Training Camp for Scouters at the campsite at Nancefield, with the proviso that all Officers attending the camp should supply their own food.

SCOUTERS' ANNUAL TRAINING CAMP. FORMATION OF GILWELL TRAINING TEAM. The Committee recommended that the Divisional Pathfinder Scout Commissioner, Revd. Canon S.P. Woodfield, be asked to investigate the possibility of the immediate formation of a Gilwell Training Team for the Transvaal Division.

GILWELL TRAINING CENTRE. It was agreed to recommend that the Council approach the Non-European & Native Affairs Department /

ROODEPOORT WEST (Friday 3rd. - Monday 6th. October, 1941.)

A weekend camp was held on the above dates at Ezenzeleni, Roodepoort West, by the St. Peter's Theological Rover Scout Crew. The primary purpose of the camp was to acquaint its members who are looking forward to Scoutmastership, with a few of the methods which it has been found wise to adopt and are substantial in obviating possible mistakes in troop administration and organisation.

There were 12 campers in all comprising R/S/L I.A. Semenya (Acting Camp Chief), R/S MATE D.S. Sibeko (Quartermaster), Fr. Goodall, C.R., (Chaplain), N.S. Mokgako (Trainer-Organiser) and 8 Rovers.

Site:- Two tents to accomodate two equal patrols of four in each and another for the Camp Staff were pitched. The Chaplain had been discharged from hospital only a day before the date of the camp and we therefore decided that he should keep indoors with Revd. Blaxall, Principal of Ezenzeleni. Except for the cooking which we centralised owing to insufficiency of utensils, the whole camp was run on the Patrol System. The competitive spirit was introduced in all patrol activities - games, campfire items, general smartness, inspection of kit, uniform, gadgets, whittling and tidyness of site. The competing patrols were named Tigers and Lions, and in agreement with their tastes the food supplied was first class.

Instruction:- The programme allowed for three one hour sessions a day and into this we fitted the following lectures:- The Scout Spirit, Patrol System, Camp Gadgets and Camp Hygiene and troop programmes. Many interesting discussions arose centering round difficulties generally experienced with troop management. The "Wood Badge" was also considered. Fr. Goodall took us out on an interesting afternoon expedition with reference to his lecture on "Estimation" and we benefitted from his past experience in the Army.

We had a shower of rain on Saturday afternoon and our programme was upset between 4.30 P.M. and 6 P.M. A useful topic however, presented itself - reminiscences of the case of lightning stroke which was treated by the Camp Chief at the Priory, Rosettenville. The other members of the camp admitted that they had run away panic stricken and one and all admired Mr. Semenya for his courage. Curiously enough, we failed to find the advised treatment for lightning strokes in the First Aid Manuals we had, and in a few words the Camp Chief told us what could be done. We felt that we had gained from his talk and that the afternoon had not been wasted; but one thing puzzled. In terms of paragraph 219, page 115 P.O.& R., does the case of Mr. Semenya deserve attention? It was desired that the D/P/S/C Fr. Winter should find out from the Divisional Commissioner, Revd. Canon S.P. Woodfield.

Other Activities:- Mass was celebrated every morning at 8 A.M. and Evensong at 6.30 P.M. Lights out was at 10.30 P.M. and the Staff was impressed with the spontaneous response to orders by the Crew. A fine Scout spirit reigned through the camp. On Sunday evening a social entertainment was arranged at the Blind Male Students' Hostel. There were some surprises. Even the blind do sing well and tap dance. Mr. Velile, himself a blind man, conducted a mixed choir whose harmony was excellent. The Rovers also presented their Invincible Male Voice Choir but there is doubt whether they lived up to the name. We were treated with great courtesy by Revd. Blaxall and his Staff who among other things took us round on a tour of their buildings and showed us the fine work done by both sections of the blind students at Ezenzeleni - baskets, cane shirts, mattresses, woollen goods etc.

Visitors:- Miss. F. Chilton paid a flying visit to the camp and brought us a nice box of sweets. We are proud of her friendship. We also found a new friend in Mr. L. Adler, Cubmaster - 1st. Bellevue, who broke his nice holiday and came in shorts to spend Saturday afternoon with us. We learned something valuable from him on Cubwork.

Break of Camp:- We broke camp at 12.45 P.M. on Monday. There was pleasure at the friendships formed at this get-together. It is very much to be hoped that success will attend the efforts of the members of the Crew when they leave College to take on their little share of the service we owe to others.

The winning patrol in camp was Lions. Y I S E K A.

FINANCE: The Acting Treasurer had been unable to get in touch with the Hon. Treasurer and no Statement had been prepared. Together with the Hon. Secretary he had prepared a statement showing approximately the profit and loss account for the twelve months ended October, 1941. This disclosed that income was almost entirely from Donations and Grants-in-Aid, and expenditure was chiefly on salaries to the Trainers and Assistant Secretary. The amount received in donations had been doubled since the year 1939. The excess of income over expenditure for the period mentioned was between ten and twenty pounds.

That the salary of the Assistant Secretary be increased by £1. 10 per month and that so far as possible an increase of £1 per month be paid each year up to a maximum of £150 per annum. After considerable discussion it was agreed to defer the consideration of increases of salary for four months, with a view to obtaining greater financial assistance by donations and grants in Aid, as suggested in the first and second recommendations of the Finance Committee. Agreed.

REPORTS FROM TRAINERS:

It was agreed that these should be published in the Bulletin. Mr. Mokgako reported briefly on his experiences in the Louis Trichardt District. He had been impressed by the fine scouting spirit which existed in country. He thought there were too few meetings out of doors on Reef. Mr. Marivate said that there was still a serious shortage of officers in the Country. He valued most the fine character training given by scouting.
