NATIONAL PEACE CONGRESS

E 88

We welcome the decision of the Transvaal Peace Council to call a National Peace Congress for the purpose of rallying the people of S.Africa in the world-wide crusade for PEACE.

We cannot remain mere observers when a threat hangs over all of us of another catastrophic world war. It is we, the people, wherever we may be living, whatever colour of our skin may be, who have to bear the heavy burden of all wars.

We cannot remain isolated by saying that war is no concern of ours because it does not affect us, or that our participation in the national struggle for freedom is more important to us.

We must be clear in our mind that the forces which are responsible for keeping millions of people in the colonies under oppression, exploitation and rabid racialism, including in South Africa, are the same evil forces which are attempting to plunge the world into a another barbaric war.

Already two uranium plants for atomic purposes are operating and a third one will soon be ready in our country. S.African forces are in Korea. S.A. is committed to the Middle East Pact. How can we remain indifferent to the issue of PEACE?

ALL SUPPORT FOR THE CAUSE OF PEACE!

ALL SUPPORT TO THE NATIONAL PEACE CONGRESS!
