My dear Mr. Pogrund,

Consideration has been given to the possibility of Mr. R. Sobukwe needing financial assistance while he is articulated in Kimberley. I have been advised that should it become evident that his present financial resources are not adequate, funds for a year will be made available. If assistance is required for a longer period, a further request for help from the South African Council of Churches will be entertained.

I expect you to let me know if our help is required.

Yours sincerely,
