All dead. I wanted we so often - not since I was
brought to begin to understand - did I feel mad,
or sound mad? An idea for your next visit. If
that firm in Britain replies at all - nearly about the
side of it - I think you have come to appoint
Julius as my agent to negotiate with them for
me. I would like you to see Kinnick, tell him how
appointing an agent - ask him for a letter with
agent setting out the pitfalls etc, & points to watch
I should get - what drawing I made for the model
man - I think on my board with an exploded
sketch of the parts - and also a proper letter
of authority to act for me, which should be drawn
by a lawyer. Leaving the commission payable to
