Dear Miss Horrell,

Thank you for your letters of the 2nd. and 7th. March, 1950. I am deeply indebted to you for the trouble you have taken to send me copies of the appendices which were attached to your evidence for the Native Education Commission. I have read these with much interest.

As requested I am returning herewith appendices B, L and M. I am also returning appendix H, but retaining appendices A, G, J and N.

Dear Sir,

Further to my letter of 2nd March, I now enclose appendix "N" to our evidence for the Native Education Commission.

In the previous letter I asked you to be kind enough to return appendices B, L and M, when you have read them. Should you wish to retain any of the other appendices, would you consider sending us a penny a sheet for those you keep? This is our usual charge. We regret having to ask you this, but can unfortunately not afford to give material away.

Yours faithfully,

MH

Dear Sir,

Thank you for your letter of the 15th. February, 1950, in which you asked for copies of the appendices which were attached to our evidence for the Native Education Commission.

We did not circulate these because we had a very limited number only of them. Some are old documents and the stencils have been destroyed.

Attached are appendices A, B, G, H, J, L, and M. One of our clerks is trying to procure copies of the rest for you, and if he is successful these will follow.

Will you please be kind enough to return numbers B, L, and M?
