Mrs. Lokander,
Swedish Mission,
WHITE RIVER.

Dear Mrs. Lokander,

I have here a nurse, Gandas Legodi, who has the "Donald Fraser Hospital" certificate. I know the hospital well and consider the training, which includes midwifery, very good indeed.

She has had experience as District Nurse at Sibasa. Unfortunately she had to leave that place as she was pregnant. The baby was born and died, and Nurse Gandas will be received back into her Church and I think there is no fear of her behaving like that again.

We hope to get her midwifery training later but at present there is no chance of that and I should like to see her employed in her profession and gaining further experience. This will be better away from her own District. She is really Pedi speaking but she speaks and understands Zulu and some Shangaan.

I think she might suit you very well.

I enclose a list of other nurses who have applied to me for help in getting places but I fancy Nurse Gandas would be better than most of them.

With good wishes,

Yours sincerely,
