PM "will shortly launch a
nationwide campaign for a total
abolition of the law."

"The exact date on which the campaign
will start is still unknown.
But members say that the campaign
will begin 'shortly' within a matter of
weeks."

"It is impossible to estimate
what hope of success the campaign has.
The opponents claim a membership
of about 24,000. If a substantial
number of people are willing to go
to jail for defying the law,
the pol. situation in the land could
change dramatically."

"It is possible that some large
numbers of PM members offering
themselves for arrest, other affairs will
follow suit. The opponents would
start a snowball rolling in setting
off general of recruitment in the future."
