Dear Sir,

Whilst I am sending you this invitation information has reached me that Dr. R.E.P. is doing everything in his power to bring to the notice of the Chairman of the Non-European Boys' Clubs the danger of allowing the Africans' Council to exist as, I thing, and according to his judgement I surpose, it would threaten the policy of perpetual domination of Non-Europeans by Europeans in this Association. It is almost likely that this meeting may not be held but I shall contact you over the phone tomorrow for further explanations.

With best wishes,

Yours faithfully,

RE: MEMBERSHIP CARDS

On my way to Port Elizabeth recently during the Easter, I learnt from Rev Galata that the Membership Cards were already printed and that they were in your possession. This fact I reported to my Executive on my return in its meeting held on the 23rd inst.

I am therefore instructed to write to you and request you to send us 100 Cards so that we may be able to supply our members with them and get the membership fees. We would be greatly obliged if you attend to this matter very speedily in view of our pending Provincial Conference which we hope to hold in the near future.

Thanks in anticipation

Yours Faithfully

Dear Dr. Xuma

friendly

I am in receipt of your letter of the 6th Ult for which thanks so much.

Please accept my sincere regrets that I have been prevented to reply earlier than now by the fact that I have been overwhelmed with the work of the paper since my return from P.E. and Bloemfontein where I had gone during the Good-Friday and Easter holidays in connection with the business of the paper. And on my return I found your letter amongst dozens of others awaiting my attention.

My sympathy goes with you in your anxiety over the sad condition of your daughter: I hope she is much improved by now.

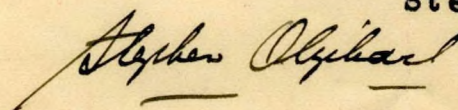

The Radebe Bros are just a lot of scoundrels. I have been able to trace Gugushe in Taaba 'Nchu where he is teaching and have written to him on the matter of the Booklets. Let Radebe pay over to you whatever money they have in their possession, and please deduct that from what I still owe you. I am sorry I have not been able to fulfil my promise to you over the help you gave me so willingly. But, Dr. you will understand better my position with my undertaking.

Please get in touch with Mr Baloyi and ask him to send us 100 Membership Cards: He does not seem to care to reply to our letters on this matter. We do not know if he has been instructed to treat us thus And this Province is getting desperate over the Cards. Please see that he sends them immediately or give us his reason why he will not supply us. We also want a few copies of the Constitution.

Thanks ever so much.

Yours Faithfully

Stephen Oliphant

Dear Sir,

Pardon us for not writing to you earlier to thank you very heartily for accepting our invitation to Kimberley on the 19th and 20th. ultimo.

It was not due to any lack of appreciation for the wonderful revival work that you did in the interests of Congress generally, and in the interests of the Kimberley Branch in particular.

We have been trying to raise funds in the meanwhile to refund your travelling expenses to and from Kimberley, but up to the time of writing we have not yet overcome our problem.

You are aware that we raised a few shillings at your reception, but the proceeds of that night ~~were~~ were barely sufficient to pay for that function.

We ask you please to be patient with us Sir, and we will surely let you have what is due to you in the near future.

Believe me Sir, to be,

Dear Sir,

We are convinced that it is your earnest desire to do all in your power to brighten the lives of our boys who are prepared to sacrifice themselves for our Country.

In order to find the means for this purpose, it was decided to appeal to all who have the future of South Africa at heart to contribute to this cause in a way which would hardly be felt, if considered in the light of ordinary daily expenditure.

We therefore, feel sure that you will gladly retain the enclosed sheets of penny Labels to the value of £1., cheque for which should be made payable to the S.A.W.A.S. Unit 234, who are responsible for the organising of this Fund. Further supplies can be obtained from the above address.
