22 September 1984

As parliament opens today we wish to register our silent protest. We in the Transvaal cannot voice our protest against the opening. The government has silenced us because they are afraid of what we have to say.

The recent detentions of our leaders and activists, and the all-embrasive banning of our meetings is a desperate move to silence the voice of the people. The UDF wishes the entire world and freedom-loving people to know that this opening of parliament is accompanied by mass funerals, and mass opposition. Let all participants in this sham democracy know that the truth shall triumph.

Rev. F Chikane
