Dear Mr Swart

This is to acknowledge receipt of your letter and the resolution of the Natal Provincial Congress of the Progressive Federal Party.

It was proper for your congress to devote its attention to, as well as, to deplore the arbitrary suppression of extra-parliamentary opposition groups. The rate at which anti-apartheid voices are being suppressed today gives rise to a rather chilling feeling that, sooner or later, parliamentary dissenters will themselves come in for hammering.

This is very probable if it is taken into account that the present policies of the Nationalist government have already greatly alienated the government from the majority of the people of South Africa; have alienated sections of the people from each other and, are directly responsible for the deepening scale of instability and conflict in our society.

We of the UDF share your concern for the right of people to voice their opposition to policies and measures they find unacceptable by those in power. We insist on the right of South Africans to express their rejection of a system that is as repugnant as Apartheid is.

Finally, we thank you for alerting us of your resolution on this question and, wish you success in your work.

Yours in the struggle for a democratic future.
