A MESSAGE FROM THE PRESIDENT OF BOLAND

W E L C O M E

It is indeed a great pleasure for us to extend a cordial welcome to the players and officials from the different parts of the Republic who have assembled in Worcester for yet another SASSA Tournament.

This tournament is a big occasion for our sport, but it assumes greater significance this year as it co-incides with the 21st Anniversary of the existence of our Union.

Boland being one of the smaller units of SASSA has weathered many storms and even today dark clouds loom on the horizon. Despite many setbacks we are justly proud however to be able to host a SASSA Tournament.

We have no doubt that our young men and women will add yet another glorious chapter in the history of our organisation that has gloriously withstood the test of time. All sportsmen will be watching you uphold the principles of sportsmanship and fairplay which characterise our sport.

We express the hope that keen competition, true sportsmanship and understanding will assist us so to play and conduct the game that we may help to increase and strengthen friendship and peaceful sentiments among all people without exception.

May your short stay in the Boland be a memorable one.

TOMMY ABRAHAMS
(President)

A Message from the President of the South African Senior Schools' Sports Association

The South African Senior Schools' Sports Association express it's warmest welcome to all participants in the currant tournament. It is absolutely amazing that barely three months ago we were all together in Kimberley for athletics and now we are in Worcester, busy with NATIONAL TOURNAMENTS in FIVE other codes of sport:- Rugby, Netball and Table Tennis in Worcester, as well as Soccer and Cross country in Cape Town.

The fact that the success of every one of these tournaments is practically certain is a testimonial to the soundness and solidarity of our Association and above all, to persistent, constant and tireless hard work of the teachers in all our affiliated units.

We truly are gratefull to the Boland Senior Schools Sports Union for undertaking the tremendous task of the organisation of these tournaments; being fully appreciative of all the time and effort entailed.

R. N. PALM
President: S.A.S.S.A.

Message from the Natal High Schools' Sports Association

The Boland Senior Schools' Sports Union has gone a long way since it was established in 1955 — i.e. 21 years ago. This year it comes of age but even in its teens and in its younger days, it has always shown a sense of maturity. Its contribution to senior schools' sport has been a shining example of what dedicated administrators can do and can achieve.

As a sister body, we would like to pay tribute to those officials who had the initiative and courage to form such an organisation and to those officials who have steered Boland — sometimes through very difficult times.

Boland has, in the space of 21 years, become a highly respected body; and in this 21st year, the Natal High Schools' Sports Federation salutes it for its very splendid achievement. We have no doubt that it will continue to grow in the years ahead.

Lest I forget, may I place on record Natal's appreciation to the Union for undertaking the Winter Tournament. We were the hosts of a similar tournament last year and we know exactly what it means to arrange an event of this nature. We look forward to an exciting and a memorable tournament.

M. S. SINGH
President

ADDRESSED TO ALL PARTICIPATING IN THIS TOURNAMENT

You are congratulated on gaining the honour of representing your province. As a representative of your province or centre you have responsibilities as well as the honour. You have responsibilities to your association (SASSA) your home union, your school and last, but most important, you have a responsibility towards yourself.

The SASSA has been established to:-

- (a) promote sport;
- (b) give students the opportunity of meeting students from other parts of our country;
- (c) give you the chance of learning how other children live; what their jobs and interests are and what their surrounds are like;
- (d) teach you that there are no differences when you take the trouble of looking at people and understanding them.

As a PLAYER you must:-

- (a) behave like a sportsman at ALL times;
- (b) show respect to both your hosts and your opponents;
- (c) make an effort to understand and appreciate why certain things are done differently from what you may be used to;
- (d) be obedient and disciplined. This must not be confined only to your own teachers and officials;
- (e) accept conditions as they are. You will soon learn, if you take the trouble, that there are good reasons for doing things in certain ways. One of the important things may be money, or rather a lack of it. Remember that your hosts have gone through a tremendous amount of trouble to make you feel at home. Show them that you appreciate it;
- (f) if you find yourself living in a school or another person's home please remember to have respect for their property;
- (g) be fair to your opponents while you are supporting your own team or player. When you have beaten them ask yourself whether it was done fairly;
- (h) be modest in victory;
- (i) Behave generally in such a way that your hosts and opponents will be glad to have met you. Make them respect you as a person and a player. Make them feel that it would be a pleasure to have you back again.

Message from Eastern Province Senior Schools' Sports Union President

The Boland Senior Schools' Sports Union is, in its coming of age year, host for S.A.S.S.S.A. Rugby, Netball and Table-Tennis tournaments. In this way one of our oldest units is showing that it is still very much alive and kicking as any person or organisation should be in its twenty-first year.

The Boland Union covers one of the most difficult areas in the country both in geographic extent and ideological sports pattern. Yet the Boland Union has been faithful to the tenets of S.A.S.S.S.A. and from the ranks of its young sportsmen, the products of Senior Schools, are emerging the future sports leaders who will perpetuate the aims of our parent body and make non-conforming organisations bad dreams of the past. We feel assured of traditional Boland hospitality, of unrelenting opposition on the field of sport and of the good fellowship off the field which has become so much part of all S.A.S.S.S.A. tournaments.

To Boland we send our best wishes for a successful tournament which we sincerely hope will be part of a very successful year.

H. C. C. HENDRICKS

Boodskap van Karoo Senior Skoolsportunie

Vergun my ten aanvang die geleentheid om in alle beskeidenheid en op hartlike wyse die gelukwensing van die pas gestigte S.K.S.S.S.U. aan die mondigwordende BOLAND S.S.S.U. oor te dra.

Dit is altyd met diepe erkentlikheid dat 'n mens by so 'n heuglike geleentheid heenskou oor die jare wat verby is, na die diens wat belangstellende pioniers in die moeilike wordings- en groeipynjare gelewer het, maar terselfdertyd roep dit ons ook tot 'n groter toegewydheid aan ons taak, bring so 'n geleentheid ons ook onder die besef dat ons die pioniers se werk na ons beste vermoë moet uitbou. As ons altyd in gedagte hou dat ons ook op sportgebied met die opvoedingstaak te doen het, dat ons ook hier met brose mense materiaal te doen het, was die 21 jaar van diens nie tevergeefs nie.

Sukses word u toegewens vir die huidige toernooi aldaar.

Graag gebruik ek dan my voorreg om die GASHEER-LIGGAAM sterkte toe te wens op die pad vorentoe, en mag ons altyd hoër strewe in diens van die opvoedingstaak van ons volk.

W. BAARTZES
President
