The Transvaal Peace Council sends its support and good wishes to the Fourth World Festival of Youth and Students for Peace and Friendship.

To a country such as ours, where racial hates, contempt and prejudice divide the people, it is particularly heartening to see the youth of all lands, of a very wide range of viewpoints and religions, of different social origins, and members of hundreds of different types of youth and student organisations, coming together in a festival of culture and sport and in an atmosphere of warm friendship.

Meeting in peaceful discussion, competing in sport, and sharing in their rich cultural ~~developments~~ achievements, ~~this Festival~~ the youth who gather at the Festival will make a great contribution to the growth of international friendship, and play their part in seeing that they do not need to meet on the battlefields.

~~Because~~ Peace is vital to us all; <sup>but</sup> ~~because~~ young people have most to lose in war, ~~because~~ the future of world peace, and thus the future of the world itself, ~~rests in the~~ depends on the youth of the world, ~~and this World Festival of Youth will~~

We know this World Festival of Youth will play a great part in furthering the cause of peace, and its effects will ~~benefit~~ grow and increase when the youth who participate return to their own countries.

We look forward to the time when war will be eradicated for ~~all~~ ever, and youth will never again grow in the shadow of war. Your Festival will help bring that time nearer. Peace-lovers in South Africa welcome the Festival, and anticipate its success with pride. Long live peace and friendship among the youth of all races and nations!
