LEFT WITHOUT THEIR FATHER

He Refused To Take Part In Their Rites

These are the three children of Mr. J. C. P. Mavimbela who was killed in a car smash last week. Mr. Mavimbela was one of the founders of the first African Chamber of Commerce. He will be buried from his handsome Evaton home at 10 o'clock on Sunday morning.

A young Christian refused to obey a pagan custom recently. He was battered to death. The story was told to a Bantu World reporter by Mr. Abel Matske. He is a close relative of the dead man.

The young man was Mr. Isaac Bob Matjie, aged 30. He was a member of the Zionist Christian Church.

Mr. Matjie left his family at 31 Matjie Street, Atteridgeville, to visit his home village, Marapyane, in the Premier Mine district.

He was planning to open a shop in the village.

An initiation school was in progress. One night, men of the initiation school came to the village to fetch food.

It is the custom to put out all lights in the village when they pass through. Anybody who disobeys, is reported to the tribal authority for prosecution.

Bob Matjie refused to put out his light for religious reasons. Men invaded his home and beat him up. They dragged him outside and battered him to death.

His elder brother, Mr. Andries D. Matjie, found his body in a pool of blood inside the traditional enclosure of the house.

There were three deep wounds in his head. There was stab wound in his back. His legs and arms were all broken.

Was buried. He was buried five days before his shop was to have opened.

He leaves a wife, Anastina, and two children.

Marapyane is a tribal area of the Bakgatla-ba-Mocha. Initiation is still customary in this fourth section of the Kgatla tribal.

Two men have been arrested. They will appear before the Nyistroom Magistrate on June 20th.

Dr. Verwoerd states terms for 7,000 children

Dr. Verwoerd spoke about the schools boycott in Parliament this week. He disclosed some new facts: the total of expelled children is 7,000; seven teachers have been permanently dismissed and will never be taken back. Dr. Verwoerd also implied that he will consider representations for the expelled children, provided the A.N.C. withdraws its boycott resolution.

Dr. Verwoerd said that the Department of Bantu Education had almost no friends, except the Afrikaans churches, in putting Bantu Education into effect.

As a result of agitation by the A.N.C., a boycott of Bantu Education schools took place in Benoni and Brakpan, and later in Germiston.

This was an organised plan to keep children away from the schools by intimidating the parents.

Intimidation. He took prompt action, as a result of which the boycott ended in two days.

The education of more than 10,000 children was saved. But it was plain that 7,000 children had suffered as a result.

Dr. Verwoerd said that when there was a threat of a similar boycott in Port Elizabeth, the parents themselves asked him to break it.

Because of the action he took there, the boycott was a total failure.

Dr. Verwoerd said that if the Natives themselves would create a situation in which the propaganda and agitation of the A.N.C. could have no effect, he would be prepared to consider representations on taking back the 7,000 children into the schools.

Were re-employed. Dr. Verwoerd said that the posts of 116 teachers were abolished.

But 106 teachers were re-employed almost immediately. Only seven teachers were permanently dismissed, and would not be taken into service again.

Any teachers who suffered had only themselves to blame. They knew that a boycott was proposed, and did not try to organise parents in opposition to it, as was their duty.

The agitation against Bantu Education had not ended yet.

Dr. Verwoerd said he would not reconsider the position of the 7,000 expelled children, until he had been assured that there would not be a repetition of recent events.

The time to talk of peace was when there was peace, he said.

When there was war with agitators under the leadership of the African National Congress, which could only result in harm to Native children, he was not prepared to follow a policy of appeasement.

IN HOSPITAL AFTER EXPLOSION

This is Joseph Diphani of Stand 426, Nxumalo street, Randfontein Location. He suffered serious burns on the head as result of an explosion in a factory at Randfontein.

They keep death off the roads

The Roodepoort-Maraiburg Road Safety Association held its award presentation ceremony in the Edwin Field-house hall, Roodepoort, last Saturday.

Mr. F. Stoker, chairman of the European section of the association, spoke of the alarming death toll on South African roads.

He said that the Roodepoort-Maraiburg Road Safety Association will organise a series of road safety lectures in the schools to spread knowledge of safety rules.

Mr. Stoker wished all the professional drivers many happy years of driving.

## ZONE B GAMES START IN BLOEMFONTEIN

### What Natal thinks

Bloemfontein is the venue for the Moroka-Baloyi Cup competitions this weekend. On Saturday, Southern Free State meet Eastern Transvaal and Griqualand West play Orange Free State.

On Sunday at 12.30 p.m. Griqualand West meet Eastern Transvaal and at 4 p.m. Southern Free State meet Griqualand West.

These are Zone "B" games. Orange Free State are expected to top the log and so reach the final.

A month ago Natal was tipped to sweep the board in the "A" zone but in view of the dispute last weekend the cup may still remain in the Transvaal this year.

Natal refused to play because they had paid part of their own fare from Durban. SAAFA was expected to cover the whole cost of the trip.

Mr. A. M. S. Mhlongo, an official from Natal, told the Bantu World that a letter to SAAFA asked for second class fares. They were sent 3rd class fares. Natal made up the difference.

The Natal Executive instructed the team to play only after receiving a refund.

### JBFA FIXTURES

#### LIONS BACK TO 1952 STANDARD

The following will be J.B.F.A. main matches this weekend at Wemmer and Western Native Grounds:

Wemmer: Mighty Greens v. Makau Ramblers; Happy Stars v. Grasshoppers; D. and D. Brothers v. Arcadia Home Boys.

W.N.T. Hungry Lions play Bush Bucks; African Morning Stars meet Stonebreakers.

Bush Bucks face a formidable side in Hungry Lions. Last weekend Hungry Lions beat Stonebreakers 3-1 to win the J.B.F.A. Shield.

The Lions are fast reaching their 1952 standard. Rangers and Naughty Boys will have to work hard to beat them.

#### WHY KHOMO IS OFF TENNIS

Reef tennis fans have been anxious to know why all-rounder, Grant A. Khomo, did not take part in this year's B.M.S.C.

The Bantu World learns that S.A. champ, Khomo, injured his right elbow during a Rugby practice last year.

Since then the elbow has been giving him trouble. But the soft-spoken, shy all-rounder has endured the pain quietly. Mr. Khomo will have an X-ray soon which will decide the future of his tennis career. Whether or not he will play David Samaai is still a big question mark.

#### Bantule sport

The Central Zone (Pretoria District) held their competitions at the Bantule grounds on June 8. The standard was high.

Results: Salvation Army School 183 points, Methodist School 88 points, St. Teresa 87 points, Amalgamated (Roberts Heights) 35 and Eastwood Public 13 points.

The Inter-Zone competitions will be held at Pelandaba Stadium, Atteridgeville this weekend.

#### Pretoria results

Soccer: A crowd of 400 saw K'nerion "A" beat Selborne High "A" 6-2 in fast match played in a friendly spirit. The standard was high.

The match in the "B" division resulted in a 1-1 draw.

Tennis: Kilmertou captained by T. W. Langa, won with the wide margin of a lead of 45 games. The score was K.I.I. 118 - L.S.H. 73.

IT'S IN: After a hair-raising scramble in the goal mouth, Binky, Indian goalkeeper (left) looks back to find the ball in the net. He had fished the ball time and again to get out of trouble but the last time the ball bounced in front of Green, Coloured centre-forward, and he netted. Coloureds beat Indians by 3 goals to 1 in the first inter-race match.

#### Odds against JBFA

Odds will be against J.B.F.A. this weekend when they meet Coloureds at the Coloureds Sports Ground, Natalispruit at 3.45 p.m. Mr. Mokokong, J.B.F.A. Secretary must plan to find half-backs to break the Gerald-Julius combination.

Bantu are holders of the Dr. William Godfrey Cup. They beat Coloureds in the final match last season.

Julius, the idol of the Coloureds, has regained form. Last Saturday he was roving all over the ground and feeding Gerald and Green, the most fruitful Non-European forwards on the Reef.

This combination may prove too strong for Bantu.

#### W. Rand Results

Venterspost teams visited Luipaardsvlei for soccer and tennis. Good tennis was seen when Joe Muso and Machisa played J. Makhaya and R. Liphoto. Venterspost won with a lead of 34 games.

Soccer matches were played simultaneously. The visitors won a closely-contested match by one goal. The final score was 4-3.

#### Mack Marshall wins

The Cape Standards Golf Club played a 27 hole competition for the Krugersdorp floating trophy. It was won by Mack Marshall with a total of 130; Jimmy Muller, local champ came second with 132, and Norman Marshall third with 143.

## LAST BIG RUGBY MATCHES BEFORE TOURNAMENT

Scintillating Rugby is expected at three corners of the Transvaal on Sunday namely Tvl East, Tvl West and Tvl North. West continue their usual matches, but with the Tvl West XV selected there will not be as much enthusiasm as in the other centres.

Pretoria, headquarters of Tvl North will play their league final at Coronation ground, near Bantule when Reddings play Zebras for the Cohn Trophy.

Zebras are trophy holders. But Reddings are favoured to take the trophy this year. Main reason is that leading Zebras men are now playing for Reddings. They are W. Motlogeloa, Simmer and Jack will be the centre for the Tvl East matches Winter Rose v. Crusaders; Eastern Blues v. Universals; Summer Easterns v. Spring Rose.

Simmer may win against Spring Rose because of their stamina and better form. When Tvl West teams will be training at W.N.T. Oval. The coaches are C. Nqandela, Nziba and Tyobeka.—A. X.

The number of bricks in the picture was 21.

Funds are being raised by means of concerts and parties. Recently the Orlando branch staged a colourful and well-attended show at the D.O.C.C.

Arrangements are in hand for a bigger show on September 2 at the Bantu Men's Social Centre.

The Union of Southern African Artists, has been busy investigating Copyright for its composer members.

When the film "The Magic Garden" was screened in this country audiences were enchanted by the lilting music of the penny whistle which provided the theme song. Recordings were made by the original player of the whistle Willard's way from overseas.

The movie and the recordings were released overseas. Not long after, new versions of the Penny Whistle Blues by English and American bands were flooding music saloons in this country. No royalties came Willard's way from overseas.

Recently a groovy tune "Skokiaan" which has been heard throughout the to a-ships, has suddenly caught the interest of America Tin Pan Alley and reached dizzy heights on both the English and American Hit Parade.

Recordings of Skokiaan by such well-known musicians as Louis 'Satchmo' Armstrong are to be found galore in record shops.

The composer, August Musarugwa of Rhodesia, has written to the Union of Southern African Artists inquiring about remuneration, says Mr. Arthur Nkuta secretary of the Union.

## Thanks for the memory

Then there's Antonie Saude, one of the best trumpeters on the South African jazz scene who has recorded 'O-Zee'.

Overseas artists and record companies have also pounced on this number and are flooding the market with their own version. Mr. Saude is left holding the memory of his composition-no shekels!

"We have decided to fight all forms of exploitation of the work of our members, said Mr. Nkuta.

The Union had been instru-

mental in getting remuneration for Mr. Solomon Linda, the Composer of Mbube, which has won world acclaim as Wimoweh. Mr. Linda received a down payment of £400 from the American singing group, The Weavers.

He is now getting royalties on a proper basis and has retired to his kraal in Natal.

The protection of artists by the Union is an important issue. The Reef is littered with disgruntled musicians who have suffered at the hands of record companies.

Artists have signed contracts for recording their own compositions and discovered that they would only get a small amount of money. In one case, £3. Some of the contracts denied the artist all rights and royalties for their compositions.

## 1,000 Members on the way

The Johannesburg Bantu Music Festival is receiving good support from the public. Membership is now 720 with the one thousand mark just around the corner.

The committee of the Festival states that choir-entries are pouring in from distant towns and provinces. Choirs such as the Theunissen Choral Society, the Durban Teachers Choir, the Randfontein Estates Music Society and the Randfontein Chpistrers are some of the groups looking forward to the annual competitions in October.

Speaking of choirs reminds me that a new choral group has been formed by Mr. Osborne Ferdinand who has replaced Mr. Lucas Makhema.

## New Conductor for J.B.M.F.

Mr. Ferdinand, a former student of St. Peter's School, Rosettenville, and the

Kilnerton Institute, is a well-trained musician. He studied singing for several years and appeared as a tenor at various concerts and radio broadcasts. He also sang with the Merry Blackbirds Dance Orchestra. He was the force behind the many successes of the famous Kilnerton Institute Choir.

Now Mr. Ferdinand has appeared with his sensational new group the Johannesburg Male Double Quartette. In addition to the quartette he is now organizing a mixed-voice group The Johannesburg Choristers. The choir rehearses at the Jubilee Social Centre on Saturdays at 2 p.m. All those interested

"I RECOMMEND INCUMBE TO MY FRIENDS"

"I have five children of whom the youngest, Gloria, is five months old" writes Mrs. Carolina Masina, Orlando, Johannesburg.

"I fed my first two children on mealie porridge, but decided to put my third child on Incumbe Baby Food.

"The results were so satisfactory that I have had no hesitation in continuing to feed my babies with Incumbe, and recommend it to my friends with every confidence."

Incumbe is a very special baby food. Doctors and Nurses recommend it because it is a complete food, and provides all the nourishment

# Junior Bantu World

How are you managing to get to school these cold days? Here's something that'll help you be in time for your lessons. Prepare everything the previous evening so that you don't have to think what you need when you get up. Lay the fire, too, so that it just needs a match in the morning.

Don't get into the habit of basking in the sun after school. Winter sun can be dangerous. Wear your old jersey under your shirt or blouse.

Use vaseline for your face to avoid chapping.

Be careful to open fires. Never sleep with open fires in your room.

Keep pieces of candle and ask your mother to put them in a tin with a little paraffin.

Put it on a hot stove to allow the candle to melt.

This will make a good oil that will keep your legs warm.

The seaside competition is still open. If you have yet not posted your letter, do so immediately.

Remember you may be lucky to win a free seaside holiday. This begins on July 15.

The subject you have to write about is, "What I have done to help the Bantu World."

I've received many letters but I still expect more boys to use their pens.

Recently Benoni children were lucky enough to be visited by Father Christmas at this time of the year. Ever heard of such a miracle!

They had cakes and drinks and lovely toys as well.

The toys were to have been distributed at Christmas but because of the outbreak of Polio the event was postponed.

I still hear the noise and excitement when the children left the centre munching cakes and holding toys.

We are all very grateful to the Benoni Round Table and the Union of Jewish Women for such good work.

Here's exciting news from Wepener. No longer can you find Wepener children roaming the streets.

Two clubs have just been opened. They are the DO AS I DO and the Sinethemba Clubs.

Over 903 children in this location continue to enjoy a wide range of activities including games, story-telling, singing and first aid.

Already 326 children have sent in their names as J.B.W. members.

That's a record, Wepener. If only children in all the locations could be as active as yours, we would all be good citizens.

Thanks a million Martha Mkhabela of Vlakfontein for your story. It will be published as soon as we have enough space for it in our column.

Beauty Sitshange of Germiston came into my office with her sixpence for the badge.

She had this to tell me, "Last weekend I visited the Germiston Bantu Refuge. I spent the whole day playing with the children. One little girl felt very happy to see me. To show her appreciation she gave me a book of the stories about Jesus."

That was a kind thing to do, Beauty. Whenever we have time to spare we should always try to think of such children.

From Bochabelo Location, Bloemfontein comes Queen Likate who wrote a good letter. She says, "This is the first time I write a letter in an official language. I'm very keen to be a member of the Junior Bantu World."

I like the Club column. I remember one time there was a Hygiene lesson. I know hygiene just as I know myself. Since then I started reading the paper weekly.

Thank you Queen. Very few members from Bloemfontein write to me. Tell us some more about Bochabelo. Your card has been posted.

This week it seems as if all the letters came from the girls. Shirley Ngongo of Nigel says, "I'm all excitement these days as our Girls Club out here will be going to Durban."

I'll also be among them. It will be the first time for me to get to the sea. When I come back I'll bring the members good news.

Exciting news, Shirley. I wish you every good luck and hope you'll have a nice time at the seaside.

Here's a hard working boy from Western Native Township. His name is Bishop.

Bishop is a Bantu World agent. Last weekend Bishop doubled the number of copies that he sells. During the previous week he has sold 150 copies.

Can anyone beat this record? Bishop attends school and does his selling after school.

working boy?

From Northern Rhodesia comes Rabbon M. Chileshe of Health Department, P.O. Box 10, Fort Rosebery, N.R. He would like to have pen friends from the Union.

He is a hospital orderly and is 22 years of age. Will all those interested write to Rabbon. He might also tell us more about the Federation.

Goodbye for now, Aunt Lulu

### MOVING SCENES AT GREAT WESTCLIFF SERVICE

## Moving at Johannesburg National Day of Prayer

May 31 was National Day of Prayer in Johannesburg and Pretoria. The services were conducted by the Transvaal Inter-denominational Ministers Associations.

May 31 was chosen as the annual National Day of Prayer by the 1954 annual conference of the Inter-denominational African Ministers Federation at Bloemfontein.

The Johannesburg prayer meeting last week was the biggest yet organised in the area. Much thought had been given to include all walks of life—the Location Advisory Boards, the teaching profession, the temperance movement, the Sunday Schools Union, and churches of all denominations.

The meeting was held on a koppie overlooking the entire great Orlando township, Pimville, White City, Jabavu, Moroka, Mofolo and Dube on the south, on the west Elizabethville and Orlando White City, from the Koppie to the north, Newclare, Sophiatown, Martindale and Coronationville.

In the centre of the big crowd flew Salvation Army standard. Surrounding the flag were women in uniform of many church Manyanos. Their colours ranged from the Zionist blue, green and white, to the Methodist red blouse and white stiff hat.

The clergy were dressed in their gowns of their churches. In this galaxy of colour, the clergy were distinguished by their stiff collars. With books in their hands, they sat in a long line in the middle of the

crowd. Singing and making supplications, they conducted the service in turn according to a long programme.

The theme of the meeting was that there is only one God. And that the many sects are like the children of one man who bear different names.

Speaking for the teachers, Mr C. K. Mageza, B.A., principal of the Pimville Secondary School, emphasised the desire for teachers and clergy to work together. He said it was fitting that May 31 was chosen as the National Day of Prayer. It was the day on which the Union was formed. The African sects could take a leaf from the lesson of Union on May 31, by agreeing to come together for the good of the

entire African community.

Mr. L. D. Newana, for the Advisory Boards, said it a good sign to see the various churches coming together to pray to God on this day. It could be a lesson to other leaders of the nation.

Mr. S. Mohono's Sunday School children performed a wonderful sketch on Sunday school work. Many churches were seeing this for the first time and they made enquiries of Mr Mohono on the spot. He told them the Sunday school service was inter-denominational. It was for all children and helped to keep children occupied and away from mischief. Mr. Mohono himself roused ad-

miration when he played a harmonica during the children's sketch. Tall and dignified, he played his harmonica, and the children responded faultlessly to the different tunes. It was the children's day too.

When the congregation sang, many people below the mound looked up and wondered. Non-church goers asked what was happening?

Among these was Mr. Edward Kumalo. For a long time acting leader of the Albertynville squatters and a strong supporter of the Sofasonke Party, he came up with a few men. He told our reporter that he did not know what was happening there.

ABOVE: Mr. L. D. Newana, secretary of the Moroka Advisory Board, spoke on behalf of the Johannesburg boards. He was impressed with the unity service conducted by the T.I.A.M.A. 'Bantu, Greek and Gentile—they all sang together and prayed together.'

RIGHT: Ugunaries at the National Day Prayer are shown seated facing the camera. From left to right they are: Rev. J. Mdelwa (longwane); Rev. S. E. Majola (with bib); Rev. O. S. D. Mooki; Rev. A. S. Ngubeni (standing with interpreter); Major Mampone; Rev. E. E. Kumale and Rev. Diaho.

ABOVE: Rev. S. E. Majola of the Presbyterian Church of Africa, President of the Johannesburg branch of T.I.A.M.A. He is shown here opening the day's service. All listened to the message of the day he had brought: "Let us be one in the service of our people, and of the Lord our God".

## BOOK CHAT

I PROMISED you to find out a little more about the "Zifundiseni Progressive Organisation" at Cape Town. On my second visit to Parliament I met the Rev. S. Lediga of Langa Township who, with Miss M. Nongauza, B.A., B.Ed., Mr. S. Matshiqi, social worker, and the late Mr. I. D. Mkize, B.A., M.Ed., called this interesting institution into being.

Mr. Lediga told me that they had started this organisation for the purpose of encouraging and helping African literates to "educate themselves" by regular and systematic reading, as well as by procuring books and placing them in their hands.

The promoters of the Z.P.O. also interest themselves in literacy classes and night schools at which a couple of them give their services free.

The Cape Town Quaker Night School is the one enjoying this free service.

A EUROPEAN whose imagination was captured by the idea of Z.P.O. and who has refused to have his name published, has for some time given its promoters a large number of most valuable books. These form a small library in the vestry of the Langa Presbyterian Church under the Rev. M. Lediga. Some of the books from this European benefactor and other sources are supplied to school libraries, and to individual readers.

In the Houses of Parliament there is a big library for the use of the Members of Parliament and Senators. It is one of the most used libraries I have ever come across. Members of Parliament make it their duty to be fully informed on all subjects they have to discuss. Their speeches all reflect minds brimful of information.

Some of these books they bring into the Houses in order to quote direct and accurately from them.

Mere eloquence does not cut much ice in Parliament. Facts are the chief thing, and the well-equipped Parliament library is the mine in which they are dug. Here is an example for all of us.

The number of "Babs" — do you remember what these are? — is increasing, thanks to the keenness of the Rev. H.G. Mpitso who goes about preaching, "Let the people read". When he was in Durban

## At home in the Library

Mr. H. E. Sechele, Principal of the Pentecostal School in Luipaardsvlei, chooses a book from his nearest library at Munsieville.

in April he won several people to the idea of reading more than most of us do.

Last month he met me at Cape Town where I came across some people into whose bloodstream he had succeeded in putting the germs of the disease we shall call "readitis", of which he is a victim.

APPENDICITIS, tosilitis, etc, must be eradicated. We all know of the grim fight science is putting up against cancer, polio, T.B. etc. Let the Babs, Z.P.O. and similar bodies put up an even grimmer fight to make "readitis" epidemic, endemic and pandemic.

Both the Rev. Mr. Mpitso and I have received letters from those wishing to know about books and where to obtain them.

I feel it would help more people if we made use of this page to guide readers and answer their useful questions.

Those, however, who wish to obtain specific books will find the B.N.A., P.O. Box 50, Industria, Johannesburg, in the Transvaal, 126 Umgeni Road, Durban, in Natal, and P.O. Box 862, East London, in the Cape, ready to help them.

THE Africa Research Circle at Evaton is an ally in the war to make people read. It is prepared to establish an information library to which Bishop Jordan has promised to send books from America.

## BIBLE QUIZ No. 2

1. How many verses are there in the 66 books of the Bible?
2. Which is the middle verse of the Bible?
3. Which is the middle chapter of the Bible?
4. How many times is the name of Moses mentioned in the Bible?
5. Name the chapter and verse of a book of the Bible in which we find Noah as the name of a woman.
6. We read in the Bible of a man whose skull was broken by a stone thrown by a woman. Give the name of that man.
7. Who killed King Eglon?
8. How many women in the Bible bore the name of Mary?
9. Name a woman in the Bible whose name begins with the letter G.
10. "Give attendance to reading" is a quotation from the Bible. Who gave this advice?

It appears that the slogan, "Let the people read" is an idea whose time has come. If anyone, however, thinks that time has not yet come, it is his bounden duty to help it come.

"THEY act like vultures", said the Rev. Mr. Mpitso when he and I were on the Cape Town Grand Parade on May 28. This seemingly rude expression he used when he and I found ourselves pushing our way through a crowd of Europeans, Coloureds and Africans who were examining and buying second-hand books sold on those public grounds every Wednesday and Saturday.

Both of us came away from that scene of literary "vultures loaded with cheap but valuable books. I wish all who read these words could imagine what by-products would come from the development of a passionate love of books among our literates. Authors, booksellers, employment and "what not" would come from it.

## New Books

T. V. Bulpin author of "Lost Trails on the Lowveld" has given in his new book "Shaka's Country," a vivid picture of the Zulu people, their traditions and uproarious history.

He tells in racy style and with subtle humour, stories of conflicts between the Zulus and their neighbours.

An illuminating feature of this book is the way the writer has translated into English all the Zulu names of people and places. These translations make delightful reading.

One of these days we may see an anthology of African writing. Mrs. M. A. Rutherford of Johannesburg has undertaken to produce such an anthology with the assistance of the International Committee on Christian Literature for Africa in London of whose quarterly bulletin "Books for Africa," the Rev. Claude de Mestral is editor. Mr. de Mestral visited the Bantu World offices last year.

There does not appear to be any cause for worry. Three days is the average duration of menstruation. If you would like further information write again, stating your age, the time your periods last, and the shortest and longest intervals between your periods.

I am feeling stiff in my hands, and I can no longer feel anything with my hands. I am a boxer and I have now relaxed training. What must I do?

There is not sufficient information in your letter to enable one to express an opinion. You will have to undergo a medical examination to find out the cause of your trouble. After that the necessary treatment can be advised.

## Anonymous. Messina.

A backache lasting fifteen years requires careful investigation, including X-Rays. You should consult one of your local doctors, who should arrange for the necessary examination.

## "Worried" Chingola, Northern Rhodesia, asks.

Will you please explain whether my wife can still conceive, During December 1953, my wife became very ill while pregnant. I took her to a doctor, and he said that her pregnancy was in the Fallopian

Tube (Ectopic pregnancy). She was operated on and one of the tubes was removed. This happened when she was about fourteen weeks pregnant.

There are two Fallopian tubes in every normal uterus. Although one was removed, pregnancy can still take place in the remaining tube, if the tube is not blocked. This pregnancy should develop normally. A second Ectopic is unusual.

## D. C. D. Springs, writes.

My wife was given some A. P. C. tablets several months ago, during her fourth month of pregnancy. She had headaches and pains in the back.

Is it right to give her the tablets now without consulting a doctor? Will they not interfere with her pregnancy, as she is nearing her seventh month?

A.P.C. (Aspirin, Phenacetin, Caffein) tablets will not do any harm if taken occasionally. They are effective in relieving pain, and will not effect the pregnancy.

## S. N. M. M.—asks:

Is beer harmless to the body and does it contain Vitamin B?

Alcohol, of which beer contains about 6%, is a food as well as a drug. A glass of beer will give 150 calories (units of nutrition) the same as a glass of milk, but whereas food substances are stored in the body, alcohol is oxidised in the body and used up immediately. In moderation alcohol can be helpful to digestion by producing a pleasant state of mind and stimulating the appetite, but in excess it is a nerve poison.

Beer contains a lot of Vitamin B. Yeast the by-product of beer is one of the richest natural sources of Vitamin B.

With the winter setting in, and the prospect of cold nights, we shall soon be thinking of ways of keeping our rooms and ourselves warm. A very strong warning must here be given of the danger of bringing braziers or open fires into the room. Fires like ourselves need oxygen to keep alive, and this oxygen is obtained from the air we breathe; unless there is proper ventilation, that is unless fresh air is coming in all the time, the oxygen will be used up, the fire will soon go out, and the room will become filled with carbon monoxide, a very poisonous gas which causes suffocation.

## Thinks Joe Flash can win middleweight title

According to a statement in the Bantu World, Joe Flash the South African Middleweight champion intends becoming a dual champ like Elijah Moko-

ne. I for one think Nyakale can take the cruiserweight title from Ezrom Ngcobo if Ngcobo

lacks a killer punch.

I have witnessed nearly all the victories of Joe Flash, and I also know how he has planned this fight.

In the first place Nyakale is confident he will last the distance. That's not to say Nyakale — Samuel Mahlangu, Bethal.

Who'll be smiling soon? Two reigning champions entered the ring to shake hands. They were Ez. Ngcobo, S.A. cruiserweight king and Elijah Nyakale, S.A. middle. They'll fight for the cruiser in the same ring on June the 24th. Both men are great sportsmen. The fans were impressed with their friendly approach to one another.

## Pretoria fans will be there

Mokone's fight fever has now spread to Pretoria. A special bus leaves Marabastad on Saturday, June the 18th at 12.30 p.m. for the Johannesburg B.S. Club.

The Mokone-Seleke fight will be for Mokone's S.A. lightweight title. Mokone retained this title in two rounds in Durban against Young Roberts on June the 1st.

Hudson Mboweni and Russa M. Bud-Mbelle are responsible for the Pretoria bus arrangements and bookings can be made through them.

The main match between Smithfield Home Defenders and Bethulie Wolves ended 4-2 in favour of Home Defenders. The second match was a 4-all draw.

Sanders (2), Fray (2), Ndwendwe (1), Phuno (1), Morris (1), Nonyane (1) were the scorers.

The match was played at Bethulie.

**Football**

**WESTERN PROVINCE IS ON UP-GRADE**

All round South Africa, Africans have proved what ability they have in soccer. Soccer happens to be one of the most popular games among Africans, but this does not seem to be the case in the Cape.

Here I will refer to the past and present activities of the Western Province African Football Association.

The Association was founded in 1927, and since then it has been functioning well. It became a member of the Cape Province African Football Association, and still is.

We have pleasure of announcing that in the last Biennial Tournament for the Governor General's Shield, sponsored by the C.P.A.F.A., held in Langa in July, 1954, our team became joint holders with the Griqualand West African Football Association, for both the Shield and the United Tobacco Company's Sportsmanship Trophy.

In the past, this Association, which was then Bantu, was generally looked on as a prominent centre by winning the Shield time and again. In 1948, things started to go wrong. For four years trophies could not be presented.

The Association had the difficulty of fixtures, more than eighteen clubs on four grounds only. Especially with the type of climate we have here. Competitions could not easily be completed, as the sandy grounds were not well looked after.

Then one of the oldest members of the Association, Mr. S. Matshiqi, came back as a social worker, and started things all over again. The Association managed to start the 1953 season with a small sum of money. There was no other property except six trophies. Mr. Matshiqi was again elected treasurer in 1953, and with the help of the late Mr. I. D. Mkize as president, Mr. J. D.

Mkize as chairman and Mr. I.M. Sello as secretary, trophies were made available at the end of that season.

In 1954, with the same officials, except Mr. Matshiqi, the Association was able to go through with the Biennial Tournament for the Governor General's Shield, with the little money it had.

We also thank Mr. J.S. Mokhehle, auditor.

We hope that this Association is heading for a time when it can show other Africans what the game is worth.

It has now joined the Western Province Coloured Association Football Board, and also the S.A. African Football Association.

Officials for this season: Mr. S.S. Msengana, president; Mr. S.M. Matshiqi, Vice-President; Mr. J.S. Mokhehle, chairman; Mr. D.T. Mahase, treasurer; Mr. G.S. Malefane, auditor; and Mr. I.M. Sello, general secretary.

This year the union started with eleven clubs which are: Free State Callies, (under suspension) League Champions for 1953; Basutoland Happy Lads, League Champions for 1954; Blue Birds, Transkeian Lions, Natal Wanderers, Zulu Royals, Linare, Matlama, Mighty Spears, S.A. Police and All Blacks, the oldest of them all.

In the League competition, the Natal Wanderers seem prominent. I.M. Sello.

Ladyselborne, Sunday: High School 5 Motherwells 2; Putco Rangers 4, Eastern Brothers 1; C. Daisies 4, Saints 1; St. Peter's 4, C. Ramblers 2; Shamrocks 5, P. Bombers 2.

**Defeated champ**

Former S.A. welterweight champion, Fondie 'Iron Man' Mavuso being examined by Dr. Rex. Tatane before the weigh-in at the Johannesburg B.M.S.C. on June the 1st. Mavuso stepped on the scale and then into the ring to lose his title on points over twelve rounds to Simon 'Young Batter' Mbata.

**Tour by Young Tigers**

The Young Tigers F.C. of Potgietersrust toured the Reef recently.

Although beaten at Modderfontein by 5 goals to 4, and by 4 goals to 3 by Simmer & Jack, I am sure their game will remain a living memory in the minds of spectators who saw them play.

On behalf of the Y.T.F.C. I wish to thank the authorities of Modderfontein and Simmer & Jack Mines who handled us with the greatest courtesy.

Most notable was the good spirit of the players both in and outside the field. Their successive victories out here are, from the look of things, a direct result of the tactics copied during their tour.

We hope that we will always be welcomed with equal courtesy in our future tours.

The team that represented the Y.T.F.C. in April 1955, was:

A.E.L. Mashilwane, manager, S.S. Dammie, chairman. W.F. Matlala, J. Pela, M. Lekalaka-la, Ch. Raboroko, J. Rakumako.

J. Khwinana, P. Makakase, S.M. Lebisi, L. Mphepya, A. Mokoka, A. Seminya, E. Mahlabegwane, W. Motaung, E. Bambo, E. Gwangwa, J. Matlou captain, E.D. Makena, J. Seleka. A.E.L. Mashilwane.
