Dear Sir/Madam

2 August 1984

**INCREASED SERVICE CHARGES AND RENTALS:  
DWELLINGS IN BLACK TOWNSHIPS IN THE VAAL TRIANGLE AREA**

At its meeting held on 29 June 1984 the Town Council of Lekoa resolved to levy a general increase in service charges to the amount of R5,90 per month for Board's houses and R5,50 per month for private houses. A memorandum furnishing details of these increases in the Vaal Triangle Area as well as the reason therefore appear on the reverse side of this letter. It is anticipated that the above-mentioned increases will be implemented from 1 September 1984.

Cognizance must be taken of the fact that inflation alone causes a rise of 10% annually in respect of the rendering and the maintenance cost of services. To enable the council to maintain the present standard of services in the various townships a rent increase is therefore unavoidable. It can be mentioned that the postponement of any capital projects for one year will cost approximately 12% more the following year.

It would be appreciated if this information regarding the increased rentals and service charges could be brought to the notice of your employees. Employers who pay house rentals on behalf of their employees, are kindly requested to adjust their payments accordingly.

Employers are also kindly requested to take the above increases in house rentals and service charges into consideration when any increases in remuneration for their employees are being considered for the 1984/85 financial year.

Your co-operation in adjusting your payments in advance and to inform your employees of the increased services charges is sincerely appreciated by my council.

Further particulars can be obtained from the following Township Managers:
