ARE YOU IN SEARCH OF REAL BEAUTY—

A light, clear, smooth complexion — TWO Karroo Creams

"They tell me I'm lucky to have such a lovely complexion — but it's not just luck — I always use the

TWO KARROO CREAMS!"

says Miss Irene Bachelor

Miss Irene Bachelor was chosen as Miss Cape Town recently. Wherever she goes she attracts admiring glances. Her lovely smooth complexion is the envy of many women. Nobody wants a hard, dry skin with ugly blemishes. She recommends the Two Karroo Creams to you, to be beautiful.

Regular skin care with the Two Famous Karroo Creams is much too simple to be neglected. All you have to do is — use Karroo Freckle Cream last thing at night before you go to bed. You just rub it gently into your face, every night. After repeating this beauty treatment for a few days, you will be amazed to see a light, clear complexion when you gaze into your mirror. Your friends will notice it, too. There are three strengths of Karroo Freckle Cream — Strong, Medium and Mild. You should find the one that suits you best.

Always keep a jar of Karroo Matt Cream handy for daytime use. You can look attractively lovely all day when you use this wonderful matt cream. It does not make you feel, and look, hot and sticky. It is non-shiny — that is what "matt" means. Only Karroo make this special matt cream. It is made to go with that light, clear, smooth complexion you get from Karroo Freckle Cream. Regular skin care with the Two Karroo Creams will keep your face as light, clear and youthful as the Beauty Queens.
