

Did you ever see a Lovelier Young Lady?

LET HER TELL YOU PART OF HER SECRET She uses TWO KARROO CREAMS

You've all seen her on magazine covers—gay, attractive... and really lovely! It's Miss Miriam Dhlamini, another African beauty who uses and recommends Karroo Creams.

Miriam says: "To make your skin light in colour and attractive, use KARROO FRECKLE CREAM at night. Rub it into your face, neck and arms. After you have used KARROO FRECKLE CREAM for some nights you will see the difference. Your friends will see it, too!

"But that's not all! In the daytime, you should use KARROO MATT CREAM. It keeps your skin looking smooth and lovely all day. It isn't shiny. It's a very high quality cream and fashionable people everywhere are using "Karroo Matt." You can use powder if you want to. But be sure both creams are made by KARROO. There is nothing like them."
