You and Your City

A SERIES OF TALKS
ARRANGED BY
JOHANNESBURG NORTH
JUNIOR CHAMBER
OF COMMERCE

Message from the Mayor

(Councillor C. J. Ross Spencer)

to the Johannesburg North Junior Chamber of Commerce initiating its series of talks on various aspects of Johannesburg's Administration

I gladly commend these talks, sponsored by the Johannesburg North Junior Chamber of Commerce, to my fellow-citizens.

The Johannesburg City Council functions according to the needs and wishes of her peoples, so a better, wider understanding of how local government works in general and how this Council operates can only serve to improve our city.

The Johannesburg North Junior Chamber are to be congratulated on their initiative and public-spiritedness in undertaking this project. I am certain will receive enthusiastic support, and participation by the public will be to the mutual advantage of Council and Citizen. Councillors and officials who will speak on certain aspects of Johannesburg's administration will be encouraged by such active endorsement.

JACK ROSS SPENCER
Mayor

Towards this end we have carried out a variety of projects to date and this latest undertaking is yet further evidence of our determination as public spirited young citizens to build a more enlightened community.

I wish the committee every success.
