

MEMORANDUM ON NAT/DET/SGT: R. MAGADLA (45).

This witness testifies to one meeting, No.427, at which Western Areas removal scheme was the main topic discussed. There is nothing in his notes which is of any importance.

The witness is obviously lying when he says Ex. G. 656 constitutes his notes. See evidence on pp. 4918 to 4921 and p. 4926 & 7 (V.25). Perhaps the witness should be x-examined on this despite the fact that his evidence does not appear to be of importance.
