**Mother and baby doing well**

This mother was wise. She kept a bottle of Dettol in the house. When it was time for baby to be born, the nurse used the Dettol to keep dangerous germs away. Germs might make the mother and the baby ill. Dettol is strong and kills germs quickly, without burning you. Do as doctors do—use Dettol to prevent infection, and also whenever you have a cut or a sore. Look for the Dettol bottle with the sword on the label.

Do as the doctor tells you
