The Secretary
Cadock Residents + Youth Associations
Cadock.

Dear Sir

RE: RESIGNATION.

I hereby tender my resignation as organising secretary of the above mentioned organisations.

It has come to my notice that malicious slanders directed against my person is circulating in the township. It is my conviction that this carefully orchestrated campaign is designed to deliberately discredit me. Furthermore, it is particularly distasteful and terribly hurtful since, it concerns a member of my family, with whom I am supposed to be having a sexual relationship. This young lady being, Mrs Tandi Bangol (Baraji street representative)

The organisations are free to investigate this allegation as they see fit. However I wish to stress that there exists a motive behind this unprecedented attack.

I believe that the Youth Association's President is behind this vicious attempt to discredit me both as an executive member of these organisations and as an individual, for the following reasons. 1) The unconstructive criticism about organisation of meetings without prior

consultation and the finances affair. (ii) The rumors
mongering concerning the "students confusion" (iii) suspicious
sources of the current onslaught i.e. since the
allegations about secret meetings were brought to me
by organisers this fact has been cleverly
constructed to come out through organisers, a clever
play and counter indeed.

I do not believe that these allegations will stop
since they will be kept alive by certain individuals
when they are urged and directed by these individuals
and their surrogates for their personal interests.

It must be clearly understood that these allegations
untrue as they are, are succeeding in doing emotional,
psychological and public damage to the overall image
of the organisations.

For the above mentioned reasons I feel it wise to
resign lest the organisations and the cause I so dear
are further affected.

Yours faithfully
Mbululo Senior
