Dear Sir,

Many thanks for your letter of the 19th December enclosing the very interesting review of the activities of the various Commissions on Group Relations in the U.S.A. prepared by the American Jewish Congress. This review has been circulated to the Community Service Committee of this Club who will no doubt find much food for thought therein.

As you state many of the activities mentioned are not possible in Southern Africa, but an interesting parallel on a somewhat less ambitious scale can be drawn and is certainly possible.

Yours Sincerely,

J.R. Cannon
Secretary.
