

KIMBERLEY SCHOOL BOARD.

Kimberley, 9th December, 1912.

Dear *Mrs. Malen,*

It gives me special pleasure in being able to ask your acceptance of the enclosed cheque.

The Chairman and Directors of the De Beers Consolidated Mines, Limited, have again kindly and generously placed at the disposal of the Board a sum of money for the purpose of augmenting salaries where good and efficient work is being done in the schools under the jurisdiction of the Board.

I am glad to know that in most of our schools earnest and conscientious work is being done, and our children have the benefit of your good example, and are being trained, both educationally and morally, to become good and useful citizens.

I take this opportunity of saying that I am most anxious that no effort shall be wanting on our part to send out into the world, not only scholars, but boys and girls who practice truth and honour among themselves and others, and will in future years shew amongst the people with whom they are called to live, the principles of integrity and goodness they were taught during their school life while under your care.

Trusting you may have a happy and restful holiday, and with all kind wishes for a Happy Christmas and Bright and Prosperous New Year,

I am,

Yours sincerely,

William Percod
CHAIRMAN of the BOARD.

Rev Dear Sir,

Mr Spomer writes in answer to my application asking what salary I could expect. Well, Sir, After considering everything board and lodging included, I have written him today that I will go for £4 per month. I mentioned also that if this is too high I can go down ^{for less} If he will find me ^{cheap} boarding and lodging provided the place is suitable.

I trust you will see that I am not hard on a new school my only reason being to start as a ~~new~~ fresh teacher in a fresh school so that I may improve my position with the school.

Now please be so kind and let me know early if I am accepted so that I may stop looking
