Dr. Gardner.

There are certain points on the Bur. Question which seem to have escaped you. These are some.

The Non-whites pay more money into the national revenues than do the Nats.

The afrikaner has proved a bad ruler. He is only 10% of the population of Southern Afr. but he wants everything for his own safety. That is impossible to achieve although he has won all his fights recently.

Trying to Government with purely selfish motives must fail. Afrikaners are told that they will have to make sacrifices- they have never made any yet and have no such intention.

Until a few years ago the African was quite unaware that the dutchmen considered him an enemy. Now we know it. Malan declared war on us in 1948 and our people are quickly learning, largely from the hostile police, magistrates, SAR clerks, postal clerks etc. that all Afrikaners hate ALL Africans and other non-whites. If that can happen over 6 years what is going to happen over 60 years or 600 years?.

Swart, the police, unfair magistrates, Security Branch (just like Russia) have won the Defiant Campaign. We lost that fight. We will lose on the western Areas battle also. Every location that becomes valuable, the Africans must GET OUT and they go to the veld - always. But that is true Communism (we are not Comm. it is the Afrikaner who imitates Russia).

If a Depression comes we will smile but the working class dutchmen will not smile. They will scream Rich Farmers, capitalists and all the rubbish from Russia which the African laughs at.

We have no leaders - all are jailed, named, deposed, intimidated. The F.R.C. is abolished. The clerk from the N.A. Dept. at the Advisory Board congress says that they will abolish the N.A. Boards. Champion said - we will still be here to abolish.

2  
Bantu Ed. Act is intended to stop all education. We know Verwoerd is arch-enemy. Not once in his career in Senate has he ever once said anything but bad about Africans and Non-whites. So he is a friend. He will stop all ABC and the 3 Rs and will substitute in a period the Advantages of Apartheid. We cannot teach ABC but we can teach C-C.

~~C-C stands for Cheesa-Cheesa. (Fire-Fire)~~

We have no vote, representatives, leaders but we have matches and they cost 1d per box. C-C will instruct all children to burn all afrikaner property especially cars, tractors, schools, veld, mountain, pavilions, show grounds, plantations, ko-op stores etc. That is C-C.

We act through chain letters - specimen enclosed. Later we get this printed and better words. These go out to all educated men all over the 4 provinces. But don't be in a great hurry. It will take 15 years to make a good job but by that time dutch afrikaner oppression will not be such good policy any longer.

Why did the afrikaner nat civil servants or SATRA Congress at Bfn. say only bad things about Africans because they hate us and they think that it is a good paying line - yet at present it is like the Apartheid lies.

X  
You should take this letter to the low down S.A. Police - they have 100 already and that is why they are worried. They assault all men who are arrested - women also. No country except Russia has such a criminal police force as S.A. But they cannot assault a chain letter.

Everyone knows about C-C only you don't who are an expert. All afrikaner nat. press knows - did you read van Heerdens speech at Dingaans Day meeting. He said 'we will shoot' because he has been told. Fouchie of OVS Administrator said 'You must not hurt the Africans any longer' Why? Because too many of his schools have burnt and that is only a start. Schools burn, Admin. becomes a Liberalist. What a joke.

Soon farmers will see the fires and say to poor old Malan and his criminals - stop hitting the natives. Be kind to them and promise them plenty of money, schools, churches, no passes etc. It's too late for that rubbish.

C-C is not mau-mau. We do not kill we are not

Comm. (not like the Malan Govt. and the Nat. dutchmen). We dont talk about money - we get enough in the towns to live but we have few houses.

You dutchmen are in this country with us Non-white and you dont want to go away but to stay here and enslave us, as you have done.

So as the years go past we will burn you because that does not need guns.

Magistrates house at Rustenburg, mountains all over Cape: Ko-op stores at Zwartuggens and Sybrantskraal : jute store at Durban: pine trees at Ermelo: schools in OVS: train at Kazerne'n veld at Potchefstroom station at Bergville: d.t. mission church, at George, and Thaba Nchu: many shops and factories: But the dutch Nats. dont like the schools worst of all. Police stations do not interest us.

But the Nat. boys will burn location schools.

They have done this FIRST. In Trvl. at Pretoria and other places - petrol on thatch roof, quite easy, Claremont colored school: Parwo and Maitland schools: But we will be glad as that will show our people who are the enemies - the Dutchmen and they are bad.

So we find that the selfishness of the dutchmen in 1948 to declare war in order to catch some votes and get jobs is not such a good job after all. The next 15 yearad will show better. We are not allowed to talk but we can burn. If the Non-afrikaner whites like the fires let them go to the Insurance Company.

YOU are responsible for this state to which OUR country is to be dragged down because you preach stealing by apartheid. You have never said to the Nat. voters - LOOK OUT, the kafirs will burn you. No you are afraid.

When UNO hears about C-C. what will they say?. Also the Overseas press. This is what they will say because they are ignorant - Mau-mau in S.A. But we are not m-m. We are Non-whites who have suffered oppression at the hands of greedy afrikaners who want everything for themselves although we do the work. Afrikaners who HATE us, who say so in the street, at the petrol pumps, in the town councils, parliament, everywhere. Can you mention one Nat.

who ever said, in the H.P., a good thing about non-whites. No you cannot. If he said so, the cauchus would kick him out. That is proof of HATRED and on that we must build.

So Cheesa-cheesa is on the job. If you wan to speak with us, you must do it in the Star of JHB. We dont read Volksblad. Star knows all about C-C just like other big newspaperes including De Burger.

If you like LIBERTY then your heart will be happy when you see the FIRMS etc.

Mr. Jansen, Gov. General, This letter is for you and copies will be sent to several Members of the Parliament so that they can know what you know.

Cheesa-Cheesa Army is to burn the dutchmen who killus.

You are a Nationalist. You were in parliament and you never once said anything good about Africans - only verdomde kaffer. You worked and voted against us. Just like the other Nat. scoundrels you are one of them and now you are G-Gen. you make as if you are a good man. But you are the same, you believe what they think and you talk about Voortrekkers, natives who are bad; not about natives who pay more money into the Govt. than the Nats. We pay and you steel.

You like Supp. of Comm. Act; Bantu Ed. Act; Western Areas to go although the low-class dutchmen surrounded us we were there first; new Urban Areas Act to oppress us. You like these things; you have always voted for them and so you are just the same dirt as the other Nats. The Nat ~~and~~ the dutchmen are bad rulers. They only know how to oppress and hurt and steel and be mau-mau. Yes afrikaner mau-mau that kills people every day with guns and motor cars and the mau-mau magistrates laugh and say £2 fine. But africans get death sentens.

So we have no spokesmen. Our leaders are named. We are often in jail - have you been there - but you should be there now for your crimes against the people of this country. You are responsible with the others for the position of the african who is not allowed to build in any city (Afr. Builders Act is the big crooked cheating and you know all about it although you go to church and talk about Christianity).

C-C is not Kommunist. We are not mau-mau. The afrikaners are both. They do just like Russia. No freedom to travel to speak, to have houses, only raids, fines jail, Security branch polise etc. Kill people with guns and cars. So you are the mau-mau but we are Cheesa-cheesa and we will brun you out. We hve burnt many places but that is for start only. Ko-ops at Zwartruggens; Sybrantskraal; trees at Ermelo; schools in OVS; (ask Mr. Fouche Hon. Admin.) pavilion at Paarl, mountains allover and in the winter you will see nice fires in Transvaal. What a joke for afrikaner hemel.

You wil, see that many M.P. say BEWARE there is danger That is because they no about C-C. But verwoerd goes on with his nonsense. Swart goes on with S.C. Act. They will not stop the new laws for oppression so we will go on burning and teaching to burn This we do by means of chain letters. The low polise cannot arrest a letter without a name. Every man is dammed unless he sends out letter even to Eurs. We dont care. So in 15 years we will burn the whole p la How you like that. Now it is true that the kaffers are no good but you declare WAR on us in 1948 and even before that so you must fight.

C-C BURNS FOR LIBERTY.

We are winning the fight against the Dutchmen who oppress us. We have written letters to all the Cabinet Ministers, M.P's, Senators telling them that C-C will BURN the property of the Nats. unless they stop the WAR against us.

The STAR has published an article which says that the Govt. is afraid of the C-C. We are on the march and Malan, Strydom, Verwoerd and Swart are on the run.

BUT YOU MUST DO YOUR WORK.

You are instructed to write letters, no signature, to all members of parliament, cabinet ministers and prominent politicians, especially Nat. Dutchmen in your area, telling them that C-C will burn all farms with dry grass during the winter. Also that we will burn schools and pull down telephone wires etc.

That is your work to write such letters and post them. If you neglect that work then you are a TRAITOR to the Africans and you will be cursed for evermore.

Indians are being persecuted by the Nationalists under Malan, Swart, Verwoerd and Strydom.

God will help us if we help ourselves. We have no voice as NATIVE REP. COUNCIL has been abolished, therefore we can only protest with FIRE.

You are appointed a member of the C-C. The Malan Govt. stops us from teaching Western Civilization and we shall teach C-C. It has burnt many places, such as veld, mountains, plantations of trees, European schools, railway stations, magistrate's house at Rustenburg, sports pavilion at Paarl; Ko-op. stores at Zwartruggens and Sybrantskraal; cane fields.

You are instructed to burn any of these. Break the air-brick and make fire with paraffin under the floor. Burn the Euro. schools, hostels and Dutch Reformed Churches in towns.

We have advised the whole Cabinet, M.P's, Senators and the editors of all the Newspapers that C-C will burn the whole country because of the bad laws. We are not the Mau- Mau to kill people, but the Dutchmen <sup>kill</sup> us with cars and guns and forced labour. They are the Calvinist Mau-Mau. We are C-C for FREEDOM.
