Dear Mrs. Jones,

Thanks for your letter, & the information contained therein, which is most illuminating. I trust that I will be able to take care of the (Native) Sanitary Officers from the Natal Institution, by the end of this financial year. At the present moment, things are very depressed here, still, & revenue is hard to get, so that I must just carry on with my present man, for the time being. I am very pleased to hear that the Institution is taking the matter up.

I expect to put the 1st Hot-Bath scheme, & also the Communal Meeting Hall for Stock into operation, early next year.

I am at present very busy preparing for the C.C.'s visit tomorrow.

kindest regards to you & Mr. Jones,

Yours sincerely

Dear Mr. Webb,

We have just had a note from Dr. Anning, Medical Officer of Health, Pietermaritzburg about the course for the Sanitary Inspector Certificate. He had applications from three Non-Europeans to attend the classes. He applied for permission to the Technical College. This was refused so he removed the class to his offices and the three Non-Europeans are attending. He wonders if we could judiciously bring a little pressure to bear on the Technical College Council. May we have your comments?

I do hope Mrs. Webb is getting strong again. We shall hope to see you in June or July.

Yours sincerely,

EBJ/RFB
