Glamorous Cover Girl, "QUEEN" Lynette Kolati says...

"USE TWO KARROO CREAMS FOR BEAUTY"

"AT NIGHT" says Lynette, "you should use KARROO FRECKLE CREAM. Smooth it on your face and shoulders before you go to bed. Next morning, just wash it off. You'll see your skin getting lighter in a few days. Your face will become free of spots and blemishes. There's nothing like KARROO FRECKLE CREAM to give you a smooth, clear, light skin."

IN THE DAYTIME, Lynette says you should use KARROO MATT CREAM. It is a great help to beauty. It doesn't shine at all and it helps you to have a lovely complexion. Lynette knows that many of our most beautiful African women use both KARROO CREAMS. There's only one kind of MATT CREAM — it's Karroo.
